

Composition of the IQAC 2021-22

The IQAC committee is formed as per the guidelines of NAAC. IQAC constituted in institution under the Chairmanship of the Head of the institution, with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

IQAC helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities.

The membership of such few nominated members shall be for a period of two years. The IQAC meet at least three times in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- ¶ We have chosen two persons from academic background who is having an experience of around 25-30 years in teaching and administration. They have earned respect for integrity and excellence in their teaching and research. Moreover, they are aware of the ground realities of the institutional environment. They are known for their commitment to improving the quality of teaching and learning.
- ¶ Senior administrators and five teachers were, appointed in IQAC from the institution. They look after the institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.

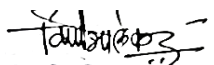

- ▮ Three management representatives are selected in IQAC, including the Chairman of Institution. They are very well aware of the institution's objectives, limitations and strengths and committed to its improvement.

- ▮ Two Alumni, one industrial expert and two student's representative are selected in IQAC. They will give a road map and contribute in the student's progression, placement, extension and extracurricular activities of the institution.
