**Report**

The Department of Botany at Arts, Science and Commerce College, Rahata organized a medicinal tree plantation event on 17 April 2023 in the village Khadkewake. The primary objectives of this event were to promote environmental conservation and create awareness about the importance of medicinal Plants and their role in maintaining a healthy life.

The event commenced with an inaugural ceremony, attended by faculty members, students, and local community members. The ceremony began with a prayer for the success of the plantation drive. The tree plantation event garnered enthusiastic participation from students, faculty, and members of the local community. The diverse group of participants reflected the collective commitment to the healthcare sector.

The Department of Botany chose various native and medicinal value-adding species for plantation in the village Khadkewake. This selection aimed to restore the local health care and support the health maintenance of the village. Proper planting techniques were demonstrated, emphasizing the importance of ensuring the survival and growth of the newly planted saplings.

The tree plantation event organized by the Department of Botany at Arts, Science and Commerce College Rahata in Khadkewake was a resounding success. It brought together people from diverse backgrounds to contribute towards greener and more sustainable healthcare practices. The initiative not only helped replenish the local green cover but also raised awareness about the vital role of various herbal species in maintaining a healthy life. A total of 3 Teaching, 1 non-teaching staff members and 9 students from the botany department participated and played an important role in making this activity successful.

**ACTIVITY DETAILS**

**Introduction:** Understanding the Socio-Economic landscape of families is crucial for student and researchers, to devise effective strategies aimed at improving the well-being of communities. Socio-economic surveys of families provide invaluable insights into the various dimensions of household dynamics, including income, employment, education, housing conditions, and social capital.

These surveys serve as essential tools for assessing the distribution of resources, identifying disparities, and gauging the overall welfare of different segments of the population. By collecting comprehensive data on socio-economic indicators, researchers can analyse trends, uncover patterns, and formulate evidence-based policies to address socio-economic challenges and foster inclusive development.

**Social Commitments:** The department of Economics is committed to work as a catalyst in the socio-economic upliftment of the region where the college is located. Students should understand their roles as they are the future Economists. It is their duty to understand the socio-economic conditions of the region and be a part of social change.

**Criterion III: 3.4.3 – Extension Activities**

**About Activity: Aims and objective of the activity**

1. To study Socio-Economic conditions of the families of khadkewake.
2. To study Economic problems in khadkewake.
3. Awareness about Socio Economic issues.

**Beneficiaries:** Students, Villagers

**Contributors:** Students of SYBA and TYBA Economics will work as Volunteers during activity and Staff of Economics department will supervise the demonstration and activity.

**Outcome:** Students will learn following things from this activity

1. They will learn about economic conditions in villages.
2. Students will collect information about various facilities in families in Khadkewake.
3. Students get knowledge about working life, discuss problems.
4. They will understand the status of families and awareness of education, banking, and economic literacy.

**Conclusion:** Department of Economics conducted an outreach activity on Socio-Economic survey of Families in Khadkewake village. Our activity focuses on socio Economic condition of the families. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the survey. As a social commitment, teachers and students of our department visited Khadakewake village on 14th April 2023. In this activity 30 students of BA Economics and 2 teachers were participated.

The survey reveals that total 45% People living in simple houses. 55 % people have made concrete houses. The economy of village depends on agricultural activity; hence, people are engaged in farming or farming- related work. Out of the surveyed houses, about 60 % families are involved in farming, whereas 20 % people involved in doing business. 20% villagers are also engaged in other activities like co-workers of construction sites and laboring to earn a livelihood.

The surveys also reveal that 75 % framers do not have crop insurance and 55 % family has the highest income of the other families. It has been observed that 70 % of the villagers use two-wheelers for daily purposes. As the village is quite remote from the Rahata city, the villagers use motorcycles to go to the city for their daily needs. 30 % people use car and other vehicles. The 90% villagers use color T.V, Phone, electric fans and other electric item as per their necessity. 90% of the population has been benefitted by sanitation facility provided under the Swacha Bharat Abhiyan cleanliness drive, an initiative taken by Govt. of India. It is notified that 80 % villagers use private toilets. As per the government scheme, 60 % villagers have bank accounts.

**Criterion III: 3.4.3 – Extension Activities**

55% rural people use debit cards or ATM cards. They use it for drawing money as per their requirements. The major Problems Faced by 50% people was unhappy about drinking water facility. Also, 32% lack of income sources and 18% lack of transport services.

**Introduction:**

English language has become a necessary part of every human beings life. It is a global language of communication, therefore the department of English decided to conduct this activity for primary and secondary school level students. The aims and objectives of the activity are as follows:

**Aims and Objectives:**

1. To enhance English language proficiency among primary level students through various word games and word puzzles.
2. To establish partnership with local communities.
3. To implement innovative and inclusive teaching methods.
4. To empower students to apply their English Language Skills beyond the classroom.

**Social Commitment:**

Students at the Undergraduate level have English as a special subject. They get advanced knowledge of the language. It is their duty to help their fellow brothers and sisters at school level to improve their English.

The Department of English organized a Community Engagement Activity as 'Enriching English Language' for primary level students of ZP Primary School at Khadakewake, on Monday, 17<sup>th</sup> April 2023. As a social commitment, teachers and students of our department visited a nearest village Khadakewake to enhance English language proficiency among primary level students through various word games and word puzzles.

Eight students and two staff members participated in this activity. Various English Language enriching activities like word games, puzzles etc for the students of Standard I to Standard VII were conducted by them. Dr. Rohini Kasar and Ms. Pranali Bothe guided the students about the English language enrichment activities. They took efforts to organize the activity.

**Criterion III: 3.4.3 – Extension Activities**

**Outcomes:**

1. Students developed a positive attitude towards learning English, fostering a love for language acquisition.
2. Establishing partnerships with local communities fostered a sense of community integration.
3. Group activities encouraged collaboration and teamwork.

Department of English is very thankful to Director Dr. Mahesh Kharde and Principal Prof. (Dr.) S. S. Gholap sir for granting permission to this activity and also providing necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of Grampanchayat, teachers and students for kind cooperation during the activity.

Subject : Regarding permission for an Outreach Activity as  
Renewable Energy Awareness Mission .....

Dear Sir,

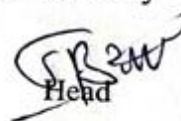

The special winter camp of NSS of our college is organized at Ekrukhe from 03/01/2023 to 09/01/2023. Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Ekrukhe village, Taluka Rahata, on Friday 06/01/2023 from 9.30 am onwards, where camp is organized. The students of Physics department will visit the camp and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Ekrukhe on  
06/01/2023.

Thank you.

## Student Notice

All students of T. Y. B. Sc. Physics are hereby informed that, department of Physics is going to organize an outreach activity on Renewable Energy Awareness Mission on **06/01/2023** from **9.30 am onwards** in **Ekrukhe Village** (NSS camp of our College). The list of Activity Coordinator and Volunteers is attached herewith.

All students must remain present in college at 8 am in college with identity card and in college dress code.

### Outreach Activity Renewable Energy Awareness Mission

- Aims and objective:**
1. To create awareness about use of renewable/Solar Energy in daily life.
  2. To Guide students, stakeholders; about working of Solar light operated instruments.
  3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
  4. To motivate and encourage the visitors, students, for use of Solar Instruments.
  5. Awareness about Energy saving, pollution due to Electricity generation.

**Beneficiaries:** Students, Villagers, stakeholders from nearby villages.

**Contributors:** Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

**Outcomes:** Students/Visitors will learn following things from this activity:

1. They will learn about techniques of use of solar instruments.
2. Students will acquire demonstration skill of various instruments.
3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays, summary etc.
4. They will understand necessity of solar energy for their future.

**Conduction of activity/Content:**

1. Students Prepare a poster of solar instrument showing its various parts.
2. Students give live demonstration of various instruments.
3. Students will answer questions regarding working and explain benefits of instrument.
4. Students clarify queries of visitors and encourage to use Solar instruments.
5. Explains benefits of solar energy and its scope in future for mankind.

**Renewable Energy Awareness Mission**

Department of Physics conducts an outreach activity on Renewable Energy Awareness Mission for nearby villagers. Our activity focuses on raising awareness in villagers about renewable energy sources especially solar energy. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of solar energy.

As a social commitment, teachers and students of our department visited nearby village Ekrukhe on 06<sup>th</sup> January 2023 to popularize & promote use of renewable energy sources, especially Solar Energy. In this activity, 8 students of S. Y. B. Sc. and T. Y. B. Sc. Physics and 2 teachers participated. Students of department explained working of solar cooker to the visitors. With the help of demonstrations, people get idea about necessity of use of solar energy. During the demonstration students also created awareness about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. School students and villagers visited and participated in this outreach activity.

Department of Physics is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity.

The students and teachers of the Department of Physics of Arts, Science and Commerce College, Rahata, conducted a Demonstration of Solar equipment under the “Solar Energy Awareness Mission” in our Ekrukhe village on Friday 06<sup>th</sup> Jan 2023 for farmers and villagers. The students give practical demonstrations of the Solar equipment to farmers, villagers and school students. The volunteers also gave detailed information about solar energy and explained the necessity of Solar Energy to the villagers through door-to-door visits in the village.

The Ekrukhe Grampanchayat is thankful to the College, Physics department and appreciates all volunteers for this activity.

Subject : Regarding permission for an Outreach Activity as  
Renewable Energy Awareness Mission .....

Dear Sir,

Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Kelwad village, Taluka Rahata, on Monday 17/04/2023 from 9.30 am onwards. The students of Physics department will visit village and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Kelwad on  
17/04/2023.

Thank you.

Yours Faithfully

**Outreach Activity**  
**Renewable Energy Awareness Mission**

- Aims and objective:**
1. To create awareness about use of renewable/Solar Energy in daily life.
  2. To Guide students, stakeholders; about working of Solar light operated instruments.
  3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
  4. To motivate and encourage the visitors, students, for use of Solar Instruments.
  5. Awareness about Energy saving, pollution due to Electricity generation.

**Beneficiaries:** Students, Villagers, stakeholders from nearby villages.

**Contributors:** Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

**Outcomes:** Students/Visitors will learn following things from this activity:

1. They will learn about techniques of use of solar instruments.
2. Students will acquire demonstration skill of various instruments.
3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays, summary etc.
4. They will understand necessity of solar energy for their future.

**Conduction of activity/Content:**

1. Students Prepare a poster of solar instrument showing its various parts.
2. Students give live demonstration of various instruments.
3. Students will answer questions regarding working and explain benefits of instrument.
4. Students clarify queries of visitors and encourage to use Solar instruments.
5. Explains benefits of solar energy and its scope in future for mankind.

## **Renewable Energy Awareness Mission**

Department of Physics conducted an outreach activity on Renewable Energy Awareness Mission for nearby villagers. Our activity focuses on raising awareness in villagers about renewable energy sources especially solar energy. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of solar energy.

As a social commitment, teachers and students of our department visit nearby village **Kelwad on 17<sup>th</sup> April 2023** to popularize & promote use of renewable energy sources, especially Solar Energy. In this activity, 8 students of S. Y. B. Sc. and T. Y. B. Sc. Physics and 2 teachers participated. Students of department explained working of solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of demonstrations, people get idea about necessity of use of solar energy. During the demonstration students also created awareness about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. School students and villagers visited and participated in this outreach activity.

Department of Physics is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity.

**Introduction:**

Street play on Social Issue: Social awareness is an important factor for any issues. Street play is directly focused on problems of any issues of society. We will create awareness about Health issues, Water issues, Education, Save girl child, Literacy, gender equitation etc. Ratio in male and female population is an important issue in our population. Number of girl child's is decreased from last two decades. The count of the numbers of the girls has been continuously decreasing for many years in India, Which can cause huge problems in futures. The Indian Government has taken many measures to save girl child such as Beti Bachao Beti Padhao.

**Social Commitment:**

It is very important focus our attention on save girl child issue. It is a responsibility of all of us. Each and every person will take responsibility for save girl child in our country. The role of education is very important for save girl child's campaign. It is the duty of department of languages to inculcate moral values among students. Therefore, through this activity, an attempt is made to involve students in awareness programs.

**About Activity:**

Department of Marathi and Hindi have decided to aware the villagers of Khadkewake on the issues of Save Girl Child through street play. The objective of the activity is to inculcate the importance of girls in the society.

Subject – Regarding permission for an Outreach Activity as Soil and Water Analysis.

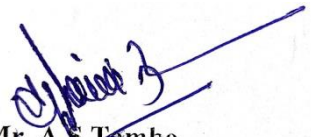

Sir,

Department of Chemistry is going to organize an Outreach activity namely Soil and Water Analysis in Villages Khadkewake on Saturday 04/02/2023 from 9.30 am onwards. The students of Chemistry Department Will visit the villages and will collect the samples of soil & water from Farm. They will also explain the importance of soil-Water analysis and its advantages to the villagers. The objective of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Khadkewake on 04/02/2023.

Thank you,

Yours Faithfully

**Department of Chemistry**  
**Outreach Activity**  
**Soil and Water Analysis**

**Aim and objective:-**

- 1) To determine the level of nutrient found in a soil sample.
- 2) A soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed.
- 3) To identify water quality of different water resources using different analytical methods.
- 4) To improve quality of water using suitable purification techniques. To provide a broad in-depth overview of important relationship between water quality and human health.
- 5) The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums.

**Beneficiaries:** - Students, Villagers, Farmers, Stakeholders from nearby villages.

**Contributors:-** T.Y.B.Sc. Chemistry Students will work as volunteers during activity and staff of Chemistry Department will supervise the demonstration and activity.

**Outcomes:-**

**Soil Analysis Course Out Comes.**

- 1) Gained in depth knowledge on the pattern of soil cover.
- 2) Able to characterize for effective utilization of land for agricultural purposes.
- 3) Import Knowledge about the techniques of soil Fertility evaluation.
- 4) Clear Understanding of soil health & soil Quality indices.

**Water Analysis Course Out Comes.**

- 1) Understand meaning of important parameter for measuring water Quality
- 2) Water Quality Criteria & Standards and their relation to crop.
- 3) Plan water quality surveillance for a given aquatic environment and to understand water a test result means in terms of the health of the ecosystem.

**Conduction of activity/content:**

1. Students prepare a poster that shows importance of Soil & water.
2. Students went to farm and collected the sample.
3. Explain benefits of soil & water analysis & its importance in future for mankind.
4. Student will answer questions regarding their Quires.

Department of chemistry conducted an outreach activity Soil-Water Analysis for nearby villagers. The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums. Our college Conducts this program to ensure that all students, Farmers stake holders are get benefits of soil and water analysis and know its importance in future for mankind.

As a social commitment, teachers and students of our department visit nearby village Khadkewake on 4<sup>th</sup> February 2023 to determine the optimum soil & water test levels for various nutrients for specific soil and crop combination. In this activity 65 students of T.Y.B.Sc. Chemistry and 7 Teachers and 1 lab attendant participated. Student Volunteer explained benefits of soil & water analysis & its importance in future for mankind. soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed. Farmers participated in this outreach activity.

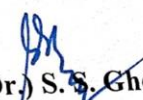

Department of Chemistry is very thankful to Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Departments is also thankful to Sarpanch, all members of Grampanchayat, Villagers and visitors for kind cooperation during the activity.

**Water Conservation Awareness Mission**

**Introduction:**

Water is one of the important resources on the planet. Without water, life cannot exist. Water is used for industry and agriculture production. Water conservation refers to the preservation of water and its resources through careful planning, control, development, and management of resources. Water conservation is become very important issue in rural part of India. Most part of our country is depend on monsoon rainfall. 85 percent available water comes from the rain while the remaining 15 percent comes from the melting of snow. Almost 80 % of the water in India is used in agricultural practices. The rainfall in India is very irregular. There is large variable in rainfall in year to year. Water scarcity is caused by an uncontrollable rise in the population. Through rainwater harvesting the level of underground potable water is increased through the increase in the water table.

### **REPORT**

Department of NCC and NSS of Arts, Science and Commerce College, Rahata has been jointly organized “Zade Lava Zade Jagva Abhiyan 2022” on 11<sup>th</sup> August, 2022 and 12<sup>th</sup> August, 2022 under the guidance of Hon. Director Dr. Mahesh Kharde sir and Hon. Principal Prof. Sanjay Lahare Sir. This programme was organized for the reason that trees are very important in human life. We call the doctor who gives us oxygen for an hour as God and we do not value the trees which give us oxygen for the whole life. When we plant trees, greenery will spread around, pollution will be reduced, and air will be clean. Today the number of trees is decreasing due to which the balance of the environment is disturbed and its consequences are being suffered by man. So it is very important to plant trees and it is more important to take care of them. Even if one tree is planted from each house, there will be many trees. Planting and maintaining roadside trees will definitely benefit the travelers and also keep the environment under control. So keep those things in mind the said program was organized and planned to plant medicinal plants in nearby villages of Rahata Tahsil.

In this event we planted about 200 various kinds of plants with the help of our NCC Girls cadets, NSS volunteers and all teaching and non teaching staff of the college. Dr. V. S. Patil and Dr. S. R. Potdar have been taken efforts for the successful completion of the programme. Efforts have been taken to create awareness amongst the about tree plantation. So we aware them about all should plant trees. Trees are very important in human life. It is because of this that we get the oxygen we need. Also, the three basic needs of man are fulfilled from the tree, food, clothing and shelter. Tree is nature's gift to man. There is an unbreakable relationship between human life and trees. Trees are the beauty of nature. So we should preserve this beauty of nature and also enjoy it. For that we need to plant maximum number of trees.

**Report**

Department of Botany of Arts, Science and Commerce College, Rahata have organized **“Medicinal Tree Plantation Program”** on 11<sup>th</sup> July, 2022 under the guidance of Hon. Director Dr. Mahesh Kharde and Hon. Principal Prof. Sanjay Lahare. This program is part of our continued efforts to take care of the human health and involve the students in herbal health care practices. Herbal species are of importance in improving health sector in a natural way.

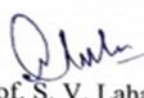

The goal of this medicinal tree plantation program is to make students aware of the importance and usages of local herbal species. By planting herbal species, we are making a long-term investment in a sustainable health care development.

The Department of Botany organized the medicinal tree plantation in college campus thereby spreading awareness among the students about the importance of herbal species in healthy life. By engaging in planting and caring for these trees, students develop a sense of environmental responsibility and cultivate sustainable practices. The presence of medicinal plants in campus provides natural remedies for common ailments, promoting overall student health and wellness. Total of 3 staff members and 26 NCC cadets took efforts to make this program successful.

Department of Botany is very thankful to Hon. Director Dr. Mahesh Kharde and Hon. Principal Prof. Sanjay Lahare for granting permission to this activity and providing necessary facilities to conduct this program.

**“Medicinal Plant Exhibition”**

**Report**

Department of Botany of Arts, Science and Commerce College, Rahata have organized “Medicinal Plant Exhibition” on **Friday 23<sup>rd</sup> September, 2022 in Nighoj** under the guidance of Hon. Director Dr. Mahesh Kharde and Hon. Principal Prof. Dr S.S. Gholap.

A medicinal plant is any plant which contains biochemical substances which can be used for beneficial purposes. The main objective of medicinal plant exhibition is to create awareness on the value of medicinal plants and to promote its cultivation and conservation. The main aim of the event was to highlight the creativeness among the students & others.

The Exhibition was chaired & inaugurate by the Dr. Digambar Mokate. In his presidential address he focused on the importance, conservation, and sustainable use of medicinal plants. In the exhibition students collected various kinds of medicinal plants. The students collected over 47 varieties of plants which are of medicinal importance. They presented the potted medicinal plants as well as described their medicinal values and uses. They told the importance of growing medicinal plants in the household area. Department of Botany is actively participated in the conservation and plantation program during the year to aware people and students about the value of medicinal plants. They provided useful information regarding the use, conservation, and plantation of the medicinal plants.

The main idea behind the exhibition was the vision of Head, Dept. of Botany Prof. S. V. Lahare to conserve nature and develop a complete knowledge about medicinal plants. He gave introductory speech and Dr. V. S. Patil introduced the President of the program. The 04 staff members and 23 students from Botany department made efforts to make this exhibition successful also 145 visitors visited to this Exhibition. Total 172 participants were involved in this Programme.

“Medicinal Tree Plantation Program”**

**Report**

A medicinal plant is any plant which, in one or more of its organs, contains substances that can be used for therapeutic purposes or which are precursors for the synthesis of useful drugs. This description makes it possible to distinguish between medicinal plants whose therapeutic properties and constituents have been established scientifically, and plants that are regarded as medicinal but which have not yet been subjected to a thorough scientific study.

A plantation program of medicinal plants was organized by the Department of Botany, Arts, Science and Commerce College, Rahata in the village Khadkewake on 11<sup>th</sup> August 2022. The students of Botany department along with faculty planted saplings of medicinal plants in college campus and in the village Khadkewake as an initiative to spread awareness about the importance of plantation, forest conservation and to save the environment. Our students also educated the people about the benefits of plants especially medicinal plants.

Department of Botany is actively participated in the conservation and plantation program during the year to aware people and students about the value of medicinal plants. They provided useful information regarding the use, conservation, and plantation of the medicinal plants. A total of 3 Teaching, 01 non-teaching and 30 students took efforts to make this program successful.

## REPORT ON VANMAHOTSAV- 2022

Department of Botany and Department of Geography of Arts, Science and Commerce college, Rahata have been jointly organized Vanmahotsav- 2022 on 8<sup>th</sup> July, 2022 and 9<sup>th</sup> July, 2022 under the guidance of Hon. Director Dr. Mahesh Kharde sir and Hon. Principal Prof. Sanjay Lahare Sir. Greenery, as a whole, helps in maintaining ecological balance. Since trees are such a vital part in the ecosystem, it is the duty of each and every individual to preserve vegetation and root for a healthy, pollution-free environment.

However, due to urbanisation and industrialisation, more and more trees are cut down every day. Deforestation is an emerging concern and Van Mahotsav aims to conflict the environmental imbalance caused due to this action. So the main aim of the programme was to inculcate the socialism within students. It aims to encourage students of our college to plant more and more trees. Deforestation is a serious concern, hence Van Mahotsav aims to bring more and more people together to grow and save forests in the country. The first week of July is just the right time for planting trees in most parts of India since monsoon joins that time. Therefore we planted trees and celebrated Vanmahotsav on 8<sup>th</sup> July, 2022 in nearby villages of Rahata tahsil.

In this event we planted about 500 various kinds of plants with the help of our college, students, NCC Girls cadets and teachers. Dr. Varsha Patil, Prof. C. M. Bansode, Miss. P. G. Bothe and Dr. S.R.Potdar have been taken efforts for the successful completion of the programme.

List of the Plants used for plantation-

1. Kanchan- 150
2. Neem- 100
3. Amla-100
4. Hirda-50

## निसर्गाच्या सानिध्यात औषधी वनस्पतींचे प्रशिक्षण : डॉ. दिघे

प्रतिनिधी । राष्ट्रसह्याद्री

**तोणी :** निसर्ग नेहमीच मानवाला साद घालत असतो. कोरोना महामारीच्या काळात प्रत्येकाला ऑक्सिजनचे महत्त्व किती आणि कसे असते हे समजले आहे. तसेच विविध औषधी वनस्पतीही कोरोनावर मात करण्यासाठी उपयुक्त ठरल्या आहेत, हे ही आपल्याला नाकारून चालणार नाहीत. हाच प्राणवायू आपल्याला निसर्गातून अर्थात वनस्पतीपासूनच मिळत असतो. म्हणून प्रत्येक सजीवाच्या जीवनात वनस्पतींना अनन्यसाधारण महत्त्व प्राप्त झालेले आहे. अगदी जागतिक पातळीवरही हे महत्त्व अधोरेखित

(छात्रा - फैलास विद्या)

होतांना दिसत आहेत.

आपला देश सध्या स्वातंत्र्याचा अमृतमहोत्सव साजरा करत आहे. ही सर्व भारतीयांच्या दृष्टीने अभिमानाची बाब आहे. हेच औचित्य साधून तोणी येथील पद्मश्री विखे पाटील महाविद्यालयाच्या पुढाकारातून आणि कला, विज्ञान व वाणिज्य महाविद्यालय, सात्रळ

व राहाता येथील कला, विज्ञान व वाणिज्य महाविद्यालयाच्या सहकार्याने गुरुवार दि. ३० जून रोजी भंडारदरा येथील जनसेवा फौंडेशन संचलित कला, विज्ञान व वाणिज्य महाविद्यालयात विविध औषधी वनस्पतींची लागवड व प्रशिक्षण कार्यशाळा आयोजित करण्यात आली आहे. अशी माहिती महाविद्यालयाचे

प्राचार्य डॉ. प्रदिप दिघे यांनी दिली.

पद्मश्री विखे पाटील महाविद्यालय आपले सुवर्ण महोत्सवी वर्ष साजरे करत आहोत. याचाच एक भाग म्हणून ही एक आगळी वेगळी कार्यशाळा आयोजित केली आहे. या कार्यशाळेसाठी आ. राधाकृष्ण विखे, जि. प. माजी अध्यक्ष शालिनीताई विखे हे उपस्थित राहून मार्गदर्शन करणार आहेत. याच कार्यशाळेत आयुष्य मंत्रालय भारत सरकार यांच्यावतीने तसेच राष्ट्रीय औषधी वनस्पती मंडळ, पश्चिम विभागीय औषधी वनस्पती क्षेत्रीय सहज सुविधा केंद्र व सावित्रीबाई फुले पुणे विद्यापीठाचा वनस्पतीशास्त्र

विभाग यांच्या संयुक्त विद्यमाने डॉ. डी. एन. मोकाट, एच. एच. पाटील, डॉ. स्वप्नील शिंदे, डॉ. अक्षय देशमुख व किरण अभ्यंकर हे अभ्यासपूर्ण मार्गदर्शन करणार आहेत, असे या कार्यशाळेचे समन्वयक डॉ. महेश खर्डे यांनी सांगितले.

या कार्यशाळेसाठी २०० वनस्पती अभ्यासकांनी नाव नोंदणी केली असून या कार्यशाळेच्या यशस्वितेसाठी प्राचार्य बाबासाहेब देशमुख, डॉ. हरिभाऊ आहिर, डॉ. भाऊसाहेब रणपिसे, डॉ. रामदास बोरसे, डॉ. अनिल वाबळे, प्राचार्य संजय लहारे, प्रा. दिपक घोलप व डॉ. संजय गिरी हे परिश्रम घेत आहेत.
