भूगोल विभाग

ग्रामसर्वेक्षण अहवाल मौजे. गणेशनगर ता. राहाता जि. अहमदनगर

शैक्षणिक वर्षे २०२२-२०२३

प्रस्तावना

भूगोल विषायात क्षेत्र अभ्यासाला अनन्य साधारण महत्व आहे या विषयाची अचुकता समजण्यासाठी सभोवतालच्या घटकांचे निरीक्षण करणे फार आवश्यक आहे. त्याचप्रमाणे या मध्ये प्राथमिक स्वरुपाची माहिती घेऊन तसेच गावातील विविध ठिकाणांना भेटी देऊन माहिती मिळवली मानवी जीवनावर परिणाम करणाऱ्या नैसर्गिक घटकांचा अभ्यास हा भूगोल विषयातून ग्रामसर्वेक्षणातून करतो. परंतु ग्रामसर्वेक्षणामध्ये त्या प्रदेशाला किंवा गावाला प्रत्यक्ष भेट देऊन तेथील मानवी जीवनावर तसेच भौतिक पर्यावरणाचा अभ्यास केल्यावर त्यात काय सहसंबंध आहे हे लक्षात येते

ग्रामसर्वेक्षणामध्ये कला. विज्ञान व वाणिज्य महाविद्यालय. राहाता भूगोल विभागातील विद्यार्थ्यांनी अनेक गावांना भेटी दिल्यापैकी गणेशनगर या गावाची पूर्ण माहिती घेऊन तेथील पाहणी केली यासाठी आम्हाला गावातील सरपंच उपसरपंच ग्रामसेवक व काही गावकऱ्यांनी मोलाची मदत केली.

या ग्रामसर्वेक्षणाचा प्रमुख उद्देश हा आहे कि. त्या गावातील आर्थिक, नैसर्गिक घटकांचा आभ्यास करणे होय

ऋणनिर्देश

शैक्षणीक वर्ष २०२२-२०२३ या प्रत्यशिक भूगोल विषया- अंतर्गत आयोजित केलेल्या मौजे - गणेशनगर ता राहाता या गावाचा ग्रामसर्वेक्षणाचा अभ्यास वृतांत सादर करतांना मला अतिशय आनंद होत आहे

या ग्रामसर्वेक्षणातून अनेक बाबी शिकण्यास मिळाल्या ही संधी निर्माण करुन दिल्याबद्दल आमच्या महाविद्यालयाचे प्राचार्य एस. व्ही. लहारे सर व आमचे विषय शिक्षक डॉ. डी. एम. नलगे सर व सी. एम. बनसोडे सर यांचे अनमोल सहकार्य मिळाल्याबद्दल आम्ही त्यांचे मनस्वी ऋणी आहोत.

आम्ही सर्वेक्षण केलेल्या गावात तेथील सरपंच, उपसरपंच, ग्रामपंचायत सदस्य, ग्रामसेवक व गावकरी यांचे ही मोलाचे सहकार्य लाभले. त्यांच्या सहकार्यानेच हे काम आम्ही करू शकलो. त्यांचेही मनपूर्वक आभारी आहोत

तसेच हे सर्वेक्षण करत असतांना गटामधील सर्व मित्रांचे मला मार्गदर्शन मिळाल व सहकार्य लाभले त्याबद्दल मी त्यांचा ही आभारी आहे.

VILLAGE SURVEY REPORT

A/P GANESHNAGAR, Tal. Rahata, Dist.

Ahmednagar

Submitted on

Date- 04/02/2023

Academic Year- 2022-23

Introduction

The field study holds exceptional significance in the subject of geography. Observing the surrounding elements is essential to understand the accuracy of this subject. Similarly, acquiring primary information and visiting various places in the village helps in gathering detailed information. The study of natural factors affecting human life is carried out through geographical surveys. However, it is only by visiting the region or village and studying the relationship between human life and the physical environment that one can understand these interconnections.

In this geographical survey conducted by the students of the Geography Department of Arts, Science, and Commerce College, Rahata, we visited various villages, including Ganeshnagar, and gathered complete information about the village. We received valuable assistance from the village sarpanch, deputy sarpanch, gramsevak, and some villagers.

The primary objective of this geographical survey is to study the economic and natural factors of the village.

Acknowledgements

It is with great pleasure that I present the report of the geographical survey of Ganeshnagar village conducted for the academic year 2022-2023.

I express my sincere gratitude to our college principal, Mr. S. V. Lahare, and our subject teachers, Dr. D. M. Nalge and Mr. C. M. Bansode, for their invaluable support in creating this opportunity for learning.

We are also thankful to the sarpanch, deputy sarpanch, gram panchayat members, gramsevak, and villagers of Ganeshnagar for their significant cooperation, without which this work would not have been possible.

Additionally, I appreciate the guidance and support received from all my group members during this survey.

Student's Signature

Significance of the Survey/Field work

Through surveys, information about geographical, cultural, and social factors of a region is gathered. In geography, emphasis is primarily placed on natural geography. The relationship between human activities and natural factors can be observed through the study of cultural elements and human professions. Hence, field surveys in the domain of geography hold great importance.

Location and Area

Ganeshnagar is located at a latitude of 19.6921961° N and a longitude of 74.5466070° E, with an area of 0.16 km². The village chosen for the survey is Ganeshnagar, Taluka Rahata.

Access to the Village

Ganeshnagar is a village situated 10 km from Rahata and 22 km from Shirdi. The village is 10 km away from the college and can be reached in approximately 25 minutes.

Assumptions

The survey of Ganeshnagar village was conducted by the students of the Geography Department of Arts, Science, and Commerce College.

Research Topic

The study focuses on understanding the various primary-level professions in rural areas by examining the characteristics of Ganeshnagar village.

Village Panchayat Information

- Ganeshnagar falls under the Shirdi electoral constituency, with Mr. Radhakrishna Eknathrao
 P. Vikhe as the elected representative.
- 2. The Gram Panchayat was established in 1966.
- 3. The current Sarpanch is Mrs. Shanta Dilip Telore, and the Deputy Sarpanch is Mr. Anil Sopan Gadhave.
- 4. The Gram Panchayat has 13 members.
- 5. A proposal for the construction of a Gram Panchayat building was submitted under the District Planning Department, Ahmednagar. Since there was no existing Panchayat building, the efforts of Mr. Eknathrao P. Vikhe led to the approval and issuance of an order from the District Planning Department within a day. The villagers express special gratitude for this.
- 6. The financial transactions and record-keeping of the Gram Panchayat are fully online.

- 7. Under the Swachh Bharat Mission (Rural), many families have benefited from the individual household toilet scheme.
- 8. The Gram Panchayat is continuously working towards making Ganeshnagar a garbage-free village and has participated in the campaign to achieve this goal.
- 9. Under the Backward Area Grant Fund for 2016-2017, the construction of underground drainage was completed.
- 10. For the primary school, the purchase of computers, projectors, inverters, batteries, renovation of the school building, procurement of toys and educational materials, purchase of uniforms and shoes for Anganwadi children, and construction of a washing area for women have been completed at a total cost of ₹6,65,000.

Future Development Proposals by the Gram Panchayat

Settlement Improvement Scheme:

- 1. Construction of drainage in labor colony: ₹2.45 lakhs.
- 2. Installation of street lights from labor colony to housing colony: ₹5 lakhs.
- 3. Concrete road construction from labor colony to sugar factory: ₹3.91 lakhs.

14th Finance Commission (Proposals Submitted):

- 1. Purchase of toys and educational materials for Anganwadi.
- 2. Painting of alphabets and numerals on the primary school walls.

Village History

Ganeshnagar is located in the Ahmednagar district, in the Rahata taluka. The distance from Rahata to Ganeshnagar is approximately 10 km. The population of Ganeshnagar is 904.

The village has a sugar factory established in 1955 by the cooperative principles of farmers. The Chairman of the factory is Mr. Mukundrao Dadasaheb Sadaphal Patil, and the Vice-Chairman is Mr. Prataparav Shankar Rao Jagtap Patil. The factory has 21 members, and people from neighboring villages come to work here. The sugar produced is also exported abroad.

The nearest airport is in Shirdi, which is a major bus and railway station. Shirdi is known for the Shri Sai Baba Temple, a prominent pilgrimage site. Ganeshnagar covers an area of 0.16 km². Useful areas for agriculture are found on the southern side of the village, with orchards of grapes, pomegranates,

guavas, and various trees such as tamarind, banyan, and mangoes. The village has houses with iron sheets and cement.

Physical Structure

1. Topography:

The village of Ganeshnagar is located at an elevation of 470 meters above sea level. The terrain slopes from south to north, making it suitable for agriculture.

2. Climate:

Ganeshnagar is situated in a plain area with a hot and dry climate. The annual rainfall is about 29°C, and the area experiences monsoon rains.

3. **Soil:**

The soil in this village is black regur soil, which is suitable for farming. It retains water well, making it ideal for growing crops such as wheat, onions, chickpeas, and tomatoes. Fruit trees like tamarind, guava, and coconut also thrive.

4. Vegetation:

The village has mango, coconut, tamarind, guava, neem, and other trees. Some deciduous plants are also present in the region.

Agriculture

Crop Structure:

The flat, plain area of Ganeshnagar makes the soil suitable for agriculture, resulting in well-developed farming practices. Various crops are grown throughout the year.

Kharif Crops:

Jowar, bajra, soybeans, corn, sugarcane, red onions, and flowers are cultivated during the Kharif season.

Rabi Crops:

Jowar, wheat, chickpeas, onions, sugarcane, and vegetables are grown during the Rabi season.

Orchard and Dry Farming:

Ganeshnagar has 20 acres of orchard farming and 12 acres 16 gunthas of dry farming.

Population

1. Gender Ratio:

Ganeshnagar is a rural area in Rahata Taluka. The total number of households is 580, with a population of 1808. The population density is 200 per square km, with 920 females per 1000 males, indicating a higher male ratio. The population by caste is as follows:

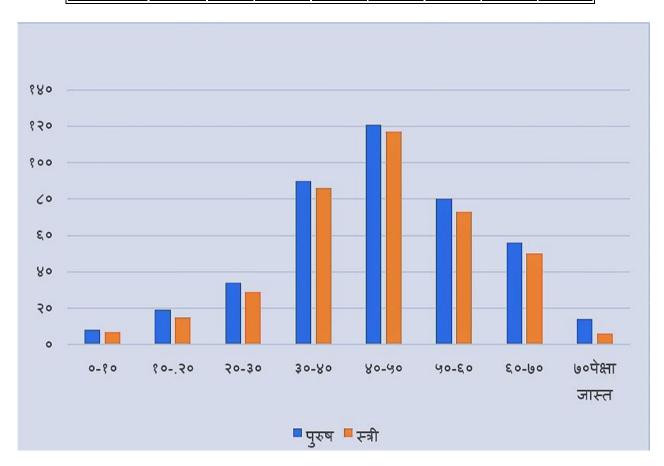

Open: 508SC: 314OBC: 738

o ST: 248

2. Age-wise Distribution:

The distribution of the population based on age and gender is as follows:

| Age Group | 0-10 | 10-20 | 20-30 | 30-40 | 40-50 | 50-60 | 60-70 | 70+ |
|-----------|------|-------|-------|-------|-------|-------|-------|-----|
| Male | 08 | 19 | 34 | 90 | 121 | 80 | 56 | 14 |
| Female | 07 | 15 | 29 | 86 | 117 | 73 | 50 | 06 |

Literacy Rate

Ganeshnagar has educational facilities available, with 1157 literate people and 601 illiterate people. The village provides primary and secondary education, including one secondary school (classes 5 to 10) and one district council primary school (classes 1 to 7).

Educational Level:

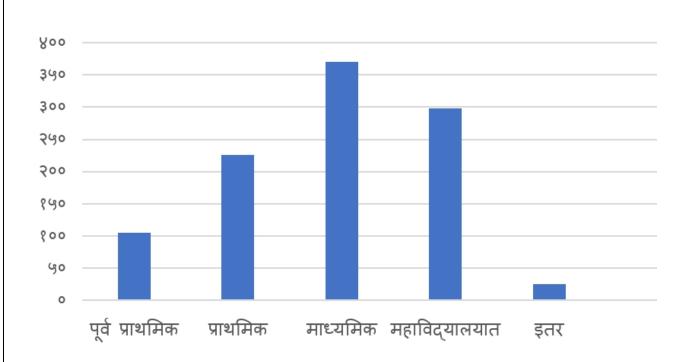

• **Pre-Primary:** 105

• **Primary:** 226

• Secondary: 370

• **Higher Education:** 298

• Other Education: 25

Demographics

Based on the survey conducted on March 1, 2018, it was found that among the 923 families surveyed, the working population in the village is 837, which is less than the total population of 989. Accordingly, the permanent population is 740. The temporary population is 560. In the age group of

0-20, there are 190 females and 170 males. This means the total inactive population in the 0-20 age

group is 203. The number of elderly in the age group of 60-70 is relatively low, with 19 females and

22 males, making the total inactive population 240. A sample survey of 80 families revealed a total

population of 454, with a working population of 224.

Cultural Factors

In Ganeshnagar village, there are several temples, including the Ganapati Temple, which was built

with local funds. There is also the Shri Guru Datt Temple, where Datt Jayanti is celebrated with great

enthusiasm. Throughout the year, various religious festivals and events are celebrated on a large

scale.

Educational Institutions

An overview of the educational institutions in Ganeshnagar village is as follows:

1. **Pre-Primary:**

o **Institution:** Anganwadi, Ganeshnagar

Teacher: Mrs. Sangeeta Eknath Nale

Children:

Boys: 14

Girls: 15

Total: 29

Programs: Women empowerment, reducing child malnutrition, providing

nutritional food, and overall development of children.

2. Primary Level:

School Name: Zilla Parishad Primary School, Ganeshnagar

Established: 05/02/1907

Headmistress: Mrs. Kalpana Suresh Gunde

Student Enrollment: 96

Boys: 45

Girls: 51

Total: 96

Classes: Grades 1 to 4

41

 Programs: Co-curricular activities including recitations, handwriting, field visits, birthdays, and other educational initiatives such as memorizing multiplication tables and English vocabulary.

3. Secondary Level:

o School Name: Shri Ganesh Vidyalaya, Ganeshnagar, Rahata

Established: 1960

o **Principal:** Mr. P. K. Rahut

Student Enrollment: 236

Boys: 126Girls: 110

• Total: 236

o Classes: Grades 11 to 12

o **Programs:** Various competitions and cultural programs.

4. Higher Education:

o College Name: Shri Sai Baba Higher Secondary School, Ganeshnagar (Ranjangaon)

Established: 2011

o **Principal:** Mr. R. B. Ghorpade

Student Enrollment: 460

Boys: 235Girls: 225

Total: 460

o **Programs:** Higher education in Arts, Science, and Commerce.

Educational Statistics

• Pre-Primary:

Enrolled Students: 29

• Primary Level:

Total Students: 96

• Secondary Level:

o Total Students: 236

• Higher Education:

o Total Students: 460

Medical Institutions in Ganeshnagar Village

In Ganeshnagar village of Rahata taluka, there is only a government health center. Residents have to go to the rural hospital in Rahata for other medical needs. Rahata, being the taluka headquarters, has several small and large hospitals:

- 1. Dr. Darekar Hospital
- 2. Dr. Nirmal Hospital
- 3. Dr. Gadekar Hospital
- 4. Dr. Naik Hospital
- 5. Patil Accident Hospital
- 6. Dr. Pokale Maternity Hospital
- 7. Dr. Gadhave Children's Hospital

Banks, Credit Societies, and Cooperatives

Ganeshnagar village has several banks and credit societies providing valuable services to the local residents.

• Cooperative Society:

- Name: Vividha Karyakari Seva Sahakari Society
- Services: Provides agricultural chemicals to farmers and supplies essential household items like rice and daily needs.

Problems in Ganeshnagar Village

Based on the family survey, the following issues were identified:

- 1. Scheduled caste and tribe families do not have proper housing.
- 2. There are no public sanitation facilities in the village.
- 3. There is a lack of drinking water facilities.
- 4. There is no sanitation campaign in the village.

Public Opinion on Village Problems

From the survey of various families, the public opinion on village problems is:

- 1. Start a sanitation campaign in the village.
- 2. Improve drinking water facilities as soon as possible.
- 3. Expedite the construction of concrete roads in some areas.

FIELD WORK OF THE DEPARTMENT OF BOTANY

Date 04/01/2023

PERMISSION

Date- 30/12/2022

To,

The Principal,

Shirdi Sai Rural Institutes,

Arts, Science and Commerce College

Rahata,

Subject: Permission for field work to Krishi Vidyan Kendra Babhaleshwar.

Respected sir

As per the above-mentioned subject, Department of Botany wants to organize a field work at KVK, Babhaleshwar. To get practical knowledge we want to visit the *Spirullina* cultivation plant and medicinal plant nursery at KVK, Babhaleshwar. It will be helpful to the students for the development of *Spirullina* cultivation plant and nursery.

So, on the behalf of Department of Botany, I would like to request you, please give us permission to arrange this visit on 4th January, 2023.

Please do the needful.

Thanking You.

Yours faithfully

Date-02/12/2022

To.

The Chief Scientist,

Krishi Vidyan Kendra,

Babhaleshwar.

Subject Regarding permission to organize field work...

Respected sir,

With reference to the above mentioned subject, the Department of Botany of our college is going to organize field work activity at Krishi Vidnyan Kendra, Babhaleshwar on Wednesday, 4th January, 2023 at 9.00 am for the students of Botany under the MOU signed between us. The aim of the field work is to gain practical knowledge of *Spirullina* cultivation and to know about various medicinal plants for their uses.

So, we request you; give permission to us for the said field work. Thanking you.

Yours faithfully

Approved and Allowed for field work on 04.01.2023

SUMMARY, OBJJECTIVES AND OUTCOMES OF THE FIELD WORK

1. **Department** - Department of Botany,

Arts, Science and Commerce College Rahata

2. **Date** - Wednesday, 04/01/2023, Time - 09.00am-03.00pm

3. **Class** - F. Y. B. Sc.

4. Number of students - 45

5. College Staff - 02

6. **Venue** - Krishi Vidnyan Kendra, Babhaleshwar

OBJECTIVES OF THE FIELD WORK

- 1. Provide hands-on experience in *Spirulina* cultivation and harvesting techniques.
- 2. Offer practical insights into *Spirulina* product development.
- 3. Educate participants on the cultivation and benefits of various medicinal plants.
- 4. Observe and understand nursery operations, including plant growth and management.

FIELD WORK OUTCOMES

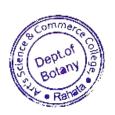

- 1. Gain comprehensive knowledge of *Spirulina* cultivation and harvesting processes.
- 2. Enhance understanding of Spirulina product development.
- 3. Acquire knowledge of medicinal plants, their cultivation, and health benefits.
- 4. Develop practical skills in sustainable agricultural practices.
- 5. Improve overall educational and professional competence in agriculture and plant sciences.

Department of Botany

Field Work Report

Date: 04/01/2023

The Department of Botany of ASC College, Rahata has organized field work at Krishi Vidnyan Kendra, Babhaleshwar on Wednesday, 04th January, 2023 for the

students of F.Y.B.Sc..

A total of 45 students of Chemistry and 02 teachers of the department are

participated in this field work Krishi Vigyan Kendra, Babhaleshwar, is a prominent

agricultural extension centre dedicated to providing practical and research-based

agricultural education to farmers, students, and other stakeholders. The Botanical field

work to Krishi Vigyan Kendra (KVK), Babhaleshwar, was organized to provide

practical experiences for the students of F. Y. B.Sc. The focus was given on the

practical knowledge about *Spirulina* cultivation, harvesting, processing and its product

development.

Likewise Nursery Management is also a critical aspect of horticulture, involving

the propagation and care of young plants until they are ready for transplanting. The

field work focused on understanding the various stages of plant growth and the best

practices in managing a nursery.

The visit to Krishi Vigyan Kendra, Babhaleshwar, was found highly informative

which provided valuable practical knowledge to the students about Spirulina

cultivation and nursery management.

Dept. of Chemistry

Art's, Science & Commerce College,
Rahata, Dist. Ahmednagar

REPORT OF FIELD WORK AND INDUSTRIAL VISIT

1. **Department** - Department of Chemistry,

Arts, Science and Commerce College Rahata

2. **Date** - Wednesday, 28/12/2022, Time - 09.00am-04.00pm

3. Class - T. Y. B. Sc. and M.Sc.

4. Number of students - 49

5. College Staff - 04

6. **Venue** - Pravara Sugar Industry, Pravaranagar &

- Krishi Vidnyan Kendra, Babhaleshwar

Objective:

1. Conduct soil and water analysis to assess quality and suitability for agricultural purposes.

- 2. Provide hands-on training in chemical testing techniques for soil and water samples.
- 3. Understand the environmental impact of agricultural practices on soil and water quality.
- 4. Industrial visit to observe and learn about the chemical processes involved in sugar production.

Details summary report of the Industrial Visit and Field Work:

The Department of Chemistry of ASC College, Rahata has organized field work at Krishi Vidnyan Kendra, Babhaleshwar and industrial visit at Pravara Sugar Factory on Wednesday, 28th December 2022 for students of Chemistry.

A total of 49 students of Chemistry and 04 Teachers of the department are participated in this field work and visit. The field work was arranged at Krishi Vidnyan Kendra, Babhaleshwar from 9.00 am to 2.30 pm. Firstly the students were visited Information and Biotechnology Centre, where they were familiarized with various instruments and have hands on training on water and soil analysis instruments such as flame photometer, Water and soil analyzer kit, Spectrophotometer, Rota evaporator, pH meter etc. The students were shown the actual practical preparation process and execution of parameters related to soil and water analysis. The students were got a detailed step by step knowledge for the soil and water analysis.

The head of Krishi Vidnyan Kedra, Dr. Sambhaji Nalkar supported for entire field work and given all information about the non-governmental organization and how it work efficiently.

The industrial visit was started at 3.00 pm. In sugar industry, the students were shown various processes for the preparation of sugar from sugarcane following all safety precautions at every place. The operators were guiding and explained the every step in the manufacture of sugar from sugar cane in the factory. The students gain a practical knowledge about various operations of sugar manufacture. The students were then allowed to see distillery unit and gained the full knowledge of manufacture of alcohol from molasses with the help of guide.

Outcome:

- 1. Gain practical skills in conducting soil and water analysis.
- 2. Acquire knowledge of interpreting analysis results to make informed agricultural decisions.
- 3. Develop an understanding of the relationship between agricultural practices and environmental sustainability.
- 4. Learn about the chemical processes and industrial applications within the sugar industry.
- 5. Enhance the participants' competence in applying chemistry knowledge to real-world agricultural and industrial scenarios.

Department of Botany

REPORT

Field work outcomes-

- During the field work, students observed various stages of production, including sorting, cleaning, extraction, and packaging.
- It was fascinating to see the modern machinery and techniques used to create natural remedies.
- Students are able to identify the various kinds of plants and their uses.

Field Work Report

T. Y. B. Sc Botany Field work was organized to Anjaneri Mountain to observe the flora and Shri Swami Samarth Pharmaceutical Industry, Trimbakeshwar to gain the practical, knowledge of the manufacturing and processing of herbal products on Saturday 26/11/2022. In the tour 12 students and 1 teaching staff were involved. The spots were visited as per following schedule,

The students from Arts, Science and Commerce College Rahata participate in the field work to know about the Herbal Industry, Trimbakeshwar, and appreciate the natural beauty of Anjaneri Hill. The purpose of this visit was to gain practical insights into the herbal manufacturing process which will be helpful for the students for development of In industry and production of herbal products, while observing the flora students are able to identify the various plants and as well as they also gain the knowledge about use of that plants with the help of local people.
