Subject: Request to Incorporate topics related to **Soft Skills and Developing Skills** in the curriculum of NEP 2020.

Respected Sir,

We are writing to you on behalf of the various stakeholders of Arts, Science and Commerce College, Rahata, Dist- Ahmednagar, who have expressed their desire for the addition of topics related to **Soft Skills and Developing Skills** in their curriculum. As per the feedback received (Academic year- 2022-23), alumni and parents believe that integrating such topics would greatly enhance their practical knowledge and also prepare them better for the competitive profession.

By these aspects students can be able to develop high presentation skills, networking abilities, etiquette awareness, strong leadership, teamwork, and communication abilities.

Considering the significance of these skills in shaping their future careers, we kindly request the Board of Studies to consider our suggestion and make necessary modifications to the syllabus. The inclusion of these topics would not only benefit the students but also uphold the university's commitment to providing a comprehensive and contemporary education.

We would be grateful if this request is taken into consideration during the next curriculum review meeting. We are also open to providing any further information or assistance needed to facilitate this process.

Thank you. We look forward to a positive response.

Yours sincerely,

**Subject:** Request to Incorporate topics based on the **Problem-Solving Task and Applied Aspects** in the curriculum.

Dear Sir/Madam,

We hope this letter finds you well.

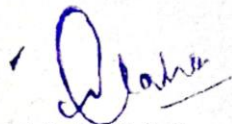

We are contacting you on behalf of the stakeholders of Arts, Science and Commerce College, Rahata, Dist- Ahmednagar, who wish for Problem-Solving Task and Applied Aspects topics to be included in the curriculum. According to the feedback from alumni and parents in the 2019-20 academic year, integrating these topics would significantly improve their hands-on knowledge and better prepare them for the competitive profession. They feel that these aspects are essential to bridge the gap between theoretical knowledge and practical application. By these aspects students can be able to observe, judge and act quickly when difficulties arise Infront of them in their professions.

We respectfully ask the Board of Studies to take into account our recommendation and make the appropriate changes to the curriculum in light of the importance of these abilities in determining their future professional paths. These subjects would be beneficial to the students as well as uphold the university's mission to offer a thorough and modern education.

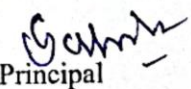

We would be grateful if this request is taken into consideration during the next curriculum review meeting. We are also open to providing any further information or assistance needed to facilitate this process.

Thank you. We look forward to a positive response.

Yours sincerely,

**Subject:** Request to Incorporate topics like **Skill and Personality Development** in the curriculum.

Dear Sir,

On behalf of the stakeholders of Arts, Science and Commerce College, Rahata, Dist-Ahmednagar, we are writing to you to convey our wish for the curriculum to include subjects pertaining to skill and personality development. Based on input from the academic year 2018-19, parents and students feel that including these topics would improve their practical knowledge and better equip them for the competitive labor market.

Skill Development is crucial in today's rapidly evolving industry landscape, and students have shown a strong interest in gaining expertise in areas such as digital literacy, communication skills, technical skills etc. They feel that these skills are essential to bridge the gap between theoretical knowledge and practical application.

Considering the significance of these skills in shaping their future careers, we kindly request the Board of Studies to consider our suggestion and make necessary modifications to the syllabus. The inclusion of these topics would not only benefit the students but also uphold the university's commitment to providing a comprehensive and contemporary education.

We would be grateful if this request is taken into consideration during the next curriculum review meeting. We are also open to providing any further information or assistance needed to facilitate this process.

Thank you. We look forward to a positive response.

Yours sincerely,

Mr. A. S. Tambe

**Subject:** Request to Incorporate topics like **Skill and Personality Development** in the curriculum.

Respected Sir,

We are writing to you on behalf of the various stakeholders of Arts, Science and Commerce College, Rahata, Dist- Ahmednagar, who have expressed their desire for the inclusion of topics related to Skill and personality Development in their curriculum. As per the feedback received (Academic year- 2018-19), students and parents believe that integrating such topics would greatly enhance their practical knowledge and prepare them better for the competitive job market.

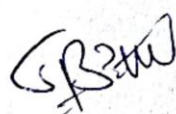

Skill Development is crucial in today's rapidly evolving industry landscape, and students have shown a strong interest in gaining expertise in areas such as digital literacy, communication skills, technical skills etc.

Considering the significance of these skills in shaping their future careers, we kindly request the Board of Studies to consider our suggestion and make necessary modifications to the syllabus. The inclusion of these topics would not only benefit the students but also uphold the university's commitment to providing a comprehensive and contemporary education.

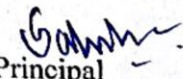

We would be grateful if this request is taken into consideration during the next curriculum review meeting. We are also open to providing any further information or assistance needed to facilitate this process.

Thank you. We look forward to a positive response.

Yours sincerely,

**Subject:** Request to Incorporate topics like **Skill and Personality Development** in the curriculum.

Respected Sir,

We are reaching out to you representing the stakeholders of Arts, Science and Commerce College in Rahata, Ahmednagar District. They have voiced their interest in integrating Skill and personality Development topics into the curriculum. Based on the feedback from the academic year 2018-19, students and parents feel that incorporating these subjects would improve their hands-on skills and better equip them for the demanding job market.

Skill Development is crucial in today's rapidly evolving industry landscape, and students have shown a strong interest in gaining expertise in areas such as digital literacy, communication skills, technical skills etc. They feel that these skills are essential to bridge the gap between theoretical knowledge and practical application.

Due to the importance of these skills for their future professions, we respectfully ask the Board of Studies to review our proposal and adjust the curriculum accordingly. The addition of these subjects would not just help the students but also support the university's promise to offer a thorough and up-to-date education.

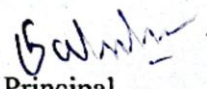

We would be grateful if this request is taken into consideration during the next curriculum review meeting. We are also open to providing any further information or assistance needed to facilitate this process.

Thank you. We look forward to a positive response.

Yours sincerely,

**Subject:** Request to Include Skill and Personality Development Topics in the Commerce and Management Curriculum

Respected Sir,

We are writing on behalf of the students and parents of Arts, Science, and Commerce College, Rahata, Dist- Ahmednagar. We've received feedback suggesting that adding Skill and Personality Development topics to the Commerce and Management curriculum would be highly beneficial.

In today's tough job market, hands-on skills are equally as essential as theoretical understanding. Students have shown a significant desire to expand their knowledge in financial literacy, digital marketing, business communication, leadership, and entrepreneurship. These skills are crucial in connecting what students learn in the classroom with what they will require in real-life situations.

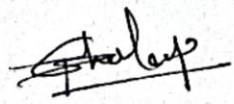

Given the importance of these skills for their future careers, we kindly request that the Board of Studies consider updating the curriculum to include these topics. This change would not only help our students but also ensure that the university continues to offer a relevant and up-to-date education.

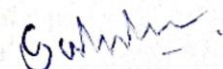

We hope you'll consider this request in your next curriculum review meeting. If you need any additional information or support, we're happy to assist.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,

  
Dr. S. K. Pulate  
HOD  
Department of Commerce

**Subject:** Request to Incorporate topics like Skill and Personality Development in the curriculum.

Dear Sir/Madam,

We are contacting you on behalf of the staff, learners, and guardians of Arts, Science, and Commerce College in Rahata, Ahmednagar District. The community increasingly agrees on the importance of integrating Skill and Personality Development topics into the curriculum. Feedback from the 2018-19 Academic Year shows that students and parents believe adding these subjects would greatly improve students' practical knowledge and prepare them better for the competitive job market.

In today's fast-paced and ever-changing professional landscape, the importance of skill development cannot be overstated. Our students have shown a keen interest in acquiring practical skills, particularly in areas like digital literacy, effective communication, and technical proficiency. These skills are seen as essential to bridging the gap between academic theory and real-world application.

Given the critical role these skills play in shaping our students' future careers, we respectfully urge the Board of Studies to consider our proposal and make the necessary adjustments to the syllabus. The integration of these topics would not only serve our students well but would also reinforce the university's commitment to delivering a well-rounded, modern education.

We sincerely hope that this request will be considered during the upcoming curriculum review meeting. We remain at your disposal to provide any further information or support required to facilitate this process.

Thank you for your attention to this matter. We look forward to a favorable response.

Thank you. We look forward to a positive response.

Yours sincerely,
