E-Governance Report

The institution is aimed at ensuring effective and real time eminence in the education. It is also aimed at improving competence, transparency and accountability of academic and administrative activities and safe guarding minimal costs for administrative services (e-services). Further, e-governance validates efforts of going green as it aimed at reducing carbon footprints by minimizing use of paper.

The institution has implemented e-governance across various operational areas, enhancing efficiency, transparency, and service delivery. Here are the details of the e-governance initiatives and the associated software and vendors.

Administration including complaint management: The administration of the institution is handled with the use of ICT based technology, internal communication, issuing of certificates, notifications, submission of information should be done online.

VRIDDHI Software- The College Administration has been equipped with computerized VRIDDHI Software which has been found satisfactory.

eSSl e-Time Tracking Software- Implemented an appropriate computerized tool for identifying and authenticating the members of the institution.

Finance and Accounts: In view of maintaining accounts with the high-level accuracy and increasing efficiency of the accounts department, advanced software is used.

Tally ERP 9 Accounting Package- The software shall have a separate module for finance management. Bills and receipts arising out of various academic and administration activities is uploaded and tracked by the Tally ERP 9 The finance module is also track transactions.

E-Sevarth- Administration Faculty database, salary details are maintained by the E-Sevarth website.

Student Admission and Support:

VRIDDHI Software- Vriddhi software is a digital solution to manage student enrolment and complete the enrolment process digitally. The Vriddhi software has used for students' admission to check their fees details and also student profile updating.

VRIDDHI Software Library: The library module in the *Vriddhi* software provide cataloguing, searching, member/patron management, an acquisition system and circulation (issues, returns and reserves). It helps the students and faculty members to utilizing the library.

***Orell Talk Pro Version Software*:** Language lab software that works offline and/or online for acquiring fluency in English or any language as easily and quickly as you did your mother tongue.

Nlist-Inflibnet Database - Nlist-Inflibnet Database is using for students and faculty.

Examination:

The VRIDDHI software have complete Examination automation for arrear tracking, hall ticket generation, seating arrangement and result processing.

These e-governance initiatives are designed to streamline operations across administration, finance and accounts, student admission and support, and examination management. The use of specialized software from reputable vendors ensures that the institution maintains high standards of efficiency, reliability, and user satisfaction. By leveraging technology, the institution aims to provide better service to its stakeholders, enhance administrative processes, and support academic and financial operations effectively.
