Ceremony Committee Annual Report 2020-21

Through all these events, we ensure that the students, faculty and staff members are encouraged to inculcate values like communal harmony, national integration, social cohesion, equality, peace, non-violence, righteous conduct and democratic spirit. We celebrate these occasions by undertaking activities like blood donation, invited lectures, cleanliness drives, debates, poster competitions etc. The college organizes birth and death anniversary of the great Indian national leaders throughout the academic session. One of the objectives of the college is to inculcate social, national and human values in young generations through education and thereby contribute to the nation building.

It aims to educate and uplift the poor rural students who were deprived from education. The founder president of the institution Loknete Late Dr Balasaheb Vikhe Patil (Padma Bhushan Awardee) always gave importance to the human values in education. The college organized various programs, activities and events to increase the ability amongst students towards human values. The college with all its potential and capacity strives for the welfare of the students with moral of high standard. The college has Ceremony committee. The committee conducted birth and death anniversary programs of the great Indian leaders. Social Reformers, Freedom Fighters, sant, yogi etc.

Our students are on a mission towards better India by breaking the boundaries of religion and caste. Thoughts of great Indian personalities sowed into the young minds through the exhibitions and programs conducted on these days. The institution practices pluralist approach towards all religion functions and encourages the students and faculty to showcase the same.

Every Indian gets an opportunity to remember and show gratitude towards great men and women whose selfless sacrifices and unparalleled contributions brought us freedom. It is worth mentioning the names of a few such great leaders. They are Mahatma Gandhi, Subhas Chandra Bose, Maulana Abdul Kalam Azad, Sardar Vallabhbhai Patel, Dr. Rajendra Prasad, Bhagat Singh, Rajguru, Sukhdev and many other Freedom Fighter & prominent leaders.

January 26, which is marked as Indian Republic Day is a prominent national festival celebrated every year to commemorate the day when the constitution came into effect back in 1950. Most of us have grown up with fond memories of this day like hoisting the tricolor flags, watching the parade and the tableaux, celebrating the country's independent spirit. "Constitution awareness program" in which students and staff members got information of their duties towards our nation and rights given to them by our constitution.

On 23rd July 2021 Birth Anniversary of Lokmanya Bal Gangadhar Tilak. On these occasion Prof.S.V.Lahare sir & Prof.A.B.mate express his thoughts, He started awakening people through newspapers like 'Kesari' ("The Lion") in Marathi and in English 'The Mahratta'. From these papers, he became famous and criticize Britishers and methods of moderates who advocate social reforms along Western lines and political reforms along constitutional lines. Two important festivals were also organized by Bal Gangadhar Tilak namely Ganesh in 1893 and Shivaji in 1895. Ganesha because the God is headed by the elephant and worshipped by all Hindus and Shivaji because he was the first Hindu ruler who fought against Muslim power in India and established the Maratha Empire in the 17th century. All Teaching and Non-Teaching Staff were Present.

On this occasion Dr.D.T.Satpute, Librarian delivered speech he told in his speech contribution of Dr.S.R.Ranganathan in Library Science Scenario. Ranganathan born on 9 August 1892 in the small town of Shiyali (now known as Sirkazhi), in the state of Tamil Nadu in southern India. Ranganathan began his professional life as a mathematician; he earned B.A. and M.A. degrees in mathematics from Madras Christian College in his home province. He established himself as a successful teacher of mathematics at Universities in Mangalore, Coimbatore and Madras within a span of five years. As a mathematics teacher, he published a handful of papers, mostly on the history of mathematics. After joining as University Librarian he went to England for library training. On coming back from England after his library training he was possessed by a mission to modernize Indian librarianship, university libraries and library science education. He saw librarians not as curator of books but facilitator of their use for communication of information and creation of knowledge. To achieve this he worked at intellectual, administrative, political and social levels. The Government of India awarded Padmashri to Dr. S.R.
