One Day Workshop
New Education Policy- 2020
Report

A one-day workshop on the New Education Policy-2020 was organized on 8 August 2023 at Arts, Science, and Commerce College, Rahata. Starting from the academic year 2024-25, as per the instructions of the Government and Savitribai Phule Pune University, the New Education Policy (NEP) will be implemented for the first year of all courses. Accordingly, the workshop was organized to understand the new education system and gain insights into the type of curriculum outlined in NEP-2020.

The workshop aimed to assist both teachers and students in understanding the New Education System. Dr. S. R. Kuchekar, Principal of Sanjivani Arts, Science, and Commerce College, Kopargaon, obliged as the resource person and guided participants through the details of the NEP using a clear and simple Power Point presentation. He provided precise guidance on how the system would be implemented in the college, potential challenges, and possible solutions. During the workshop, teachers and students raised questions regarding the NEP, which Dr. Kuchekar addressed in detail. Principal Prof. (Dr.) S. S. Gholap also provided valuable visions on this occasion. 28 faculty members 64 students were present for the workshop.

Composition of the IQAC

The IQAC committee is formed as per the guidelines of NAAC, it is being decided that NAAC committee is to be reformed and some new members as external expert and administrative staff and I/C Principal were included.

With reference to the IQAC meeting, it was decided to redesign IQAC by change of the member that is newly appointed Principal Prof. (Dr.) S. S. Gholap and Dr. Varsha S. Patil as a teacher representative instead of Dr. Madhavi S. Patgaonkar due to retirement.

IQAC constituted in institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

IQAC helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities.

The IQAC meet at least three times in every quarter. The quorum for the meeting shall be two- third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- We have chosen two persons from academic background who is having an experience of around 25-30 years in teaching and administration. They have earned respect for integrity and excellence in their teaching and research. Moreover, they are aware of the ground realities of the institutional environment. They are known for their commitment to improving the quality of teaching and learning.
- Senior administrators and five teachers were, appointed in IQAC from the institution. They look after the institutional services such as library, computer center, estate,

- student welfare, administration, academic tasks, examination and planning and development.
- Three management representatives are selected in IQAC, including the Chairman of Institution. They are very well aware of the institution's objectives, limitations and strengths and committed to its improvement.
- Alumni, one industrial expert and two student's representatives are selected in IQAC. They will give a road map and contribute in the student's progression, placement, extension and extra-curricular activities of the institution

Perspective Plan

(2018 to 2023)

PERSPECTIVE PLAN

(2018 to 2023)

Art, Science and Commerce College run by Shirdi Sai Rural Institute. Pravaranagar It was founded by Late Dr. Balasaheb Vikhe Patil (Padma Bhushan awardee), Hon'ble Dr. Y.K. Algh Saheb (Economist, member Planning Commission, Govt of India) and Late Dr. G.R Mhasekar with a Vision and Mission in their mind to provide appropriate Higher Education to rural learners. Education was available only at selected urban centers and the rural youth; especially girls were deprived of Higher Education

Arts, Science and Commerce College was established in 1997 with a specific objective of providing facility for pursuing Higher Education and achieving academic rural development right from grass root level.

The main objective of the institution, located in the rural area is to render the opportunities of Higher Education to the learners from the middle- & lower-income group Families with special emphasis on girls. The UG and PG degree Programs offered by the institution are relevant to local needs and in tune with emerging job opportunities and employability available. The college is located in 21 acres of campus with all modern facilities needed for the academic and all-round development of the Learners, an ideal place congenial for teaching, learning and development.

At the time of its establishment, there were only 144 students and 08 teaching staff in the college. The vision statement of college is to develop as a planning resource, supporting, monitoring center & human resource development center of quality higher education "The responsibility of College is to prepare and implement academic plan to meet the challenges of the changing scenario of higher education."

The vision document mainly focuses its emphasis on Teaching, Learning, Research, innovation and Extension Activities as well as it also focuses on the development of infrastructural facilities.

Main Focus of the Vision Document

- 1) IQAC
- 2) Introduction of New Course
- 3) Adaptation of Advanced methods of Teaching –Learning
- 4) Strengthening Research Activity
- 5) Enhancement of Extension Activities
- 6) Development of Infrastructure
- 7) Student Support
- 8) Innovation Practices

1) IQAC –

- a. Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes.

- b. The IQAC review its teaching learning process, structure and methodologies of operation and learning outcomes at periodic interval as per norms.
- c. Average number of quality initiative by IQAC for promoting quality culture per year.
- d. Quality Assurance initiatives of institution include are monitored.

Incremental improvements made for the preceding five years with regard to quality (In Case of first cycle) and post accreditation quality initiatives (second and subsequent cycles).

02) Introduction of New Courses:

a) Introduction of New Courses - Keeping pace with time and global demands it essential to offer job and skill-oriented courses to the students. In view of this, it is decided to introduce the education in emerging fields such as Biotechnology, Botany and Zoology and to start courses at under graduate level. In addition to this, it is also decided to start a postgraduate course in Physics. The existing courses offered in the college are of conventional type and therefore, sometimes lack behind in fulfilling the carrier demands of the students. Therefore, career-oriented courses will be started in the college like Agricultural Marketing, Banking and Finance, Journalism, Office Automation. Sericulture etc.

b) Distance Education – In view of extending the educational facilities to all section of the society, especially those who are engaged in service or working at different places, are unable to attend regular classes in the classes. In view of bringing such population in flow of education, a center of distance education will be established in the college campus. Efforts in this direction will be made to submit the proposal for the establishment of study center. Preferably the institution will approach to Yashwantrao Chavan Maharashtra Open University, Nashik.

03. Adaptation of Advanced methods of teaching –learning –

a) Optimum use of virtual Learning Centre - Because of paucity time of the experts, it has become difficult to arrange guest lectures of eminent scholars, especially, those who work in universities or in renewed institutes; hence established Virtual Learning Centre (VLC) to fulfil the intellectual demands of the student. The VLC will be useful especially for students those who are working in the field of research and preparing for competitive examinations.

b) Soft Skill Development Laboratory – It is observed that, because of lacking in communication skill in English and Personality Development, many of rural students find difficulties in the job opportunities even though they have, the vital acquaintance of their subject of specialization. In view, to cope up with this problem, a soft skill development laboratory will be expanded in the college. The personality development and self-confidences building amongst the rural based. Economically poor and marginalized student the establishment of soft skill laboratory will definitely be useful.

c) Expansion Computer Training and Internet Facility – In an era of Globalization, it is very much necessary to provide the computer training and Internet Facilities to the college students. In view of this, it is decided to expand a computer center with Internet Facilities for the college students.

04. Strengthening Research Activities –

a) Strengthening Research Programme – In view of providing opportunities of Research in inter disciplinary and pure sciences like Environment Science, Chemistry and Commerce will be research centre will be established. All faculty members will also be motivated to apply for the financial assistance from funding agencies for Research Projects.

b) Motivating the staff for participating in International Seminars/ conference held abroad – It is because of the thrust of knowledge many staff members always eager to go abroad for participating and presenting research papers in the Seminars/ conference staff members will be motivated in this direction.

c) Arrangement of Seminars Workshops/ Conferences/ Guest Lectures- Exchange of views and knowledge is very much essential to maintain the high level of Intellectual ability. More number of activities be organized state and National Level Conferences/ Seminars in different disciplines.

d) Deputation of Faculty Members- Faculty members those who are willing to do research for their M.Phil./PhD degree will be allowed to go for research under the Faculty Improvement Programme (FIP) of University Grant Commission.

05. Enhancement of Extension Activities-

Expansion of NSS activities - As the college executes its extension activities and fulfils its social commitment through National Service Scheme, it is decided for expansion of this activities.

06. Development of Infrastructure-

a) Atomization of Library – Full Atomization of Library will be done for strengthening the process of record keeping, achieving higher level of accuracy and to save time required for transitions of books.

b) Expansion of infrastructure - In the path of development, the increased number of courses being taught in the college and increased number of student strength, there is a requirement for more number of class rooms. In view of fulfilling this requirement.

c) Purchase of Advanced Equipment / Instrument- purchases of advanced teaching aids like LCD, laboratory instrument and equipment will be given preferences.

07. Student Supports - Various support services are provided to student under student's welfare scheme. These support services will be increased, as per demand from students.

08) Innovative Practices –

a. Arrangement of Campus interviews - Arrangement of Interviews in the college campus for students provide job opportunities. As the college is providing educational facilities since long back and as it is well reputed, many companies are willing to arrange their interviews in the college campus. Attempt will be in this direction make available all essential facilities to them so that the maximum campus interview will be arranged in the campus

b. Collaboration with institution- Sharing and exchange of knowledge and expertise is the need of

hour. Efforts will be made in this direction to establish the collaboration with various institutions working in the fields of Teaching, Learning, Research and Extension.

c. Initiation of Teacher Exchange Programme- Teachers exchange Programme is one of the means to understand the teaching activities practiced at different places across the world. It offers an opportunity to the staff members to get acquainted with the new methods and ways of teaching-learning and evaluation. Faculty members in the college will be provided leave for participation in the teachers exchange Programme.
