BEST PRACTICE-II

Title of the Practice:

Community Outreach Program: Experiential Learning Through Social Commitment

Introduction:

As a part of experiential learning through social commitment, Shirdi Sai Rural Institute's, Arts, Science, and Commerce College, Rahata took the initiative to conduct various social activities in nearby villages. People from rural regions require awareness about new developments in science and technology, business administration, and management skills to cope up with growing Indian economy. The initiatives taken by the institute helps people to adopt practices that are affordable, profitable, and environmentally benign for betterment in socioeconomic status as well as improving their knowledge regarding new techniques and technologies. By considering this, the institute utilized its state-of-the-art facilities for the incorporation of sustainability in agriculture through awareness regarding the importance of soil and water analysis, organic farming, conservation of energy, renewable energy sources, etc.

Aim:

To participate in community engagement, To address the social and environmental issues and To foster sustainable development for wellbeing though Experiential Learning by all students and volunteers.

Objective:

- 1. **Water Conservation Initiatives** To raise awareness on water conservation techniques and reduce the water wastage, To promote installation of rain water harvesting in the community buildings.
- 2. **Renewable Energy promotion** Educate villagers about renewable energy sources, awareness and applications, Promotion of Solar Energy Appliances.
- 3. **Conservation and promotion of medicinal plants** -To educate the community on the health benefits of medicinal plants and distribute them to promote wellness.
- 4. **Sustainable agricultural advancement** To conduct Soil and water analysis and vermicomposting awareness for farmers offering sustainable agricultural practices and suggestions to improve soil fertility.
- 5. **Women Empowerment** Women empowerment through street plays to promote gender equality and the challenges like girl child foeticide.
- 6. **Digital marketing and insurance support** To encourage small businesses and community to adopt the digital marketing strategies and insurance services in rural area.

7. Socio-economic and political survey – To Conduct survey to access the economical challenges, need of families and voter preferences.

The Context:

The institute is located in rural area, which is surrounded by few small villages. The community is basically farmers with different traditional customary culture with poor socio-economic condition. In this regard, the institution has taken initiative and conducted various community outreach activities though Skill based Experiential Learning by all students and volunteers as a part of social commitment.

The Practice:

The Community Engagement Centers (CEC) are established at *Ekrukhe*, *Khadkewake*, *Kelwad*, *Pimplas* and *Rahata*. For the effective functioning of CECs, an Advisory Committee is constituted for each CEC, that includes *Sarpanch*, Members of panchayat, Principal and one coordinator from teaching staff. The committee address the issues like voter awareness, water conservation, environmental sustainability...etc. As a part of experiential learning, these practices provides the students an exposure to the practical applications of theoretical concepts and also provide the training, if necessary.

The Community Engagement Centers (CEC) are established the advisory committee for respective village as follow.

Advisory Committee

Sr.	Name of the Village	Committee	Role
No.			
1.	Ekrukhe	Dr. Gholap S. S.	Chairman (Principal)

Chemistry Students and Volunteers explained benefits of soil & water analysis & its importance in future for mankind. Soil test is important for several reasons: to optimize crop production, to protect the environment from contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the number of fertilizers needed.

As a part of solar energy awareness, physics students demonstrated solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of this demonstrations, people get idea about handling of solar appliances. The students created awareness about the pollution & climate change, efficient use of electrical home appliances & also promotes use of renewable energy. School students and villagers benefited by this outreach and extension activity.

Likewise, Students of department of botany explain advantages, benefits and applications of tree plantation in order to restore the local ecosystem and support the biodiversity of the region. Participants, including students and community members have demonstrated proper planting techniques for new plant growth. Also conduced seed ball activity, The native tree species like *African tulip* (flame of the forest), *Bauhinia variegate* (Kanchan), *Azadirachta indica* (Neem) etc. were selected for seed ball preparation to ensure compatibility with the local ecosystem. Approximately 100 seed balls were sown, which are expected to grow into healthy trees and plants.

Likewise, Zoology Students explained the preparation of vermicomposting pit, for betterment in soil fertility and yield of crop. During the explanation students also created awareness about the pollution

of soil & climate. Nevertheless, out invitee, Mr. Sanjay Raut Sir explained the role of vermicompost need of biofertilizers in Agriculture.

The department of English decided to conduct this activity for primary and secondary school level students to enhance English language proficiency through various word games and word puzzles. Students of English department had organized few sessions of HSC students from Sharda Jr. College, Rahata, discussed problems and tried out encounter it.

Similarly, students of commerce department have also created awareness about importance of Insurance Policy, Digital marketing using modern Digital Tools methods and Consumer Protection Act to create awareness about maximum satisfaction in buyers and customers.

Students of political Science have conducted the activity on political and social survey to create awareness about law and voting.

Students of economics department have also created awareness about socio economic problems considering their annual income, household income and expenses financial condition, educational background.

Students of geography department have also created awareness about the importance of water. And explain water conservation process. The rainfall in India is very irregular. There is large variable in rainfall in year to year. Water scarcity is caused by an uncontrollable rise in the population. As well as students of geography department explained use GPS and GIS are emerging technology in several fields anytime and anywhere.

Likewise, Hindi and Marathi department jointly organized Out rich activity on street play on women feticide, addiction awareness, save girl child health voter awareness. And The Department of History and Department of Marathi jointly organized one day Workshop on Modi Lipi to impart the knowledge of Modi script as an enchant language which is alternative to local language.

Hence, all the departments of A.S,C college showed their active participation in CEC activity.

The following CEC activity conduced in academic year 2022-2023 and 2021-2022.

- 2) Villagers and participated students showed their active participation, whose results have been reflected in surrounding villages.
- 3) Training on vermicomposting to the students and the farmers has helped in increasing the use of vermicompost and organic farming. The grape farmers visited vermicomposting unit in the institute for training and getting guidance regarding various schemes of government for establishment of vermicomposting unit. The institute has also assisted them to procure good species of earthworm from Earth-rich Vermicomposting Pvt. Ltd.
- 4) Awareness about the importance of insurance has been verified by the survey. Students of department explained sustainable life insurance policy, medical insurance ,crop insurance etc. there by villagers has been made aware by students.
- 5) The community outreach program has partially uplifted socio-economic status in the villages. The increased participation of villagers in activities like van mahotsav, various campaigns and special camps itself indicated the usefulness of these outreach program.
- 6) Street play on various burning social issues like women foeticide, addiction, ragging etc. made people aware of those issues and their remedies. Enrichment of English language activity was carries out in Z.P. schools. Through this activity interaction among the college and school students happened and school student got many clues to improve their English.

Impact of Solar Energy Popularization Activity

Department of Physics conducted an extension activity of Solar Energy Popularization in academic year 2021-22 during NSS special winter camp held in Ekrukhe village from 02/01/2022 to 08/01/2022. The students and volunteers visited houses and shops of villagers and explained working of various solar instruments at site of NSS camp.

After the activity of department a survey regarding use of solar instruments is carried out, in which volunteers found that three villagers setup a solar water heater in their house for domestic use.

Following is the List of villagers who installed solar water heater.

Sr. No.	Name of House Owner	Solar Instruments used	Mobile number

Problem encountered and resources required:

Regarding awareness of the fertility of soil and water contaminates, use of medicinal plants, vermicomposting, digital insurance, socio-economic policies, save child policies...etc. among the peoples from nearby villages like Kelwad, Khadkewake, Ekurkhe, Pimplas and Rahata is relatively low compared to cities. We observed that the people often show active participation in several conduced activities under CEC. However, they have a convinced mind-set and they are not ready to adopt the changes, which are resolved upto a certain extent by organizing activities in frequent intervals.

- ✓ The cultural and social barriers that may hinder the adoption of new practices and technologies.
- ✓ Lack of awareness and understanding of the importance of conservation and sustainability.
- ✓ Difficulty in evaluating the long-term impact and sustainability of community engagement activity.
- ✓ Managing the conflicts and disagreements within the community.

The principal

Arts, Science and Commerce College,

Rahata

Subject – Regarding permission for an Outreach Activity as Soil and Water Analysis.

Sir,

Department of Chemistry is going to Organize an Outreach activity namely Soil and Water Analysis in Villages Kelwad on Monday 17/04/2023 from 9.30 am onwards. The students of Chemistry Department will visit the villages and will collect the samples of soil & water from Farm. They will also explain the importance of soil-Water analysis and its advantages to the villagers. The objective of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Kelwad on 17/04/2023.

Thank you,

Yours Faithfull

Outreach Activity

Soil & Water Analysis

Aim and objective: -

- 1) To determine the level of nutrient found in a soil sample.
- 2) A soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed.
- 3) To identify water quality of different water resources using different analytical methods.
- 4) To improve quality of water using suitable purification techniques. To provide a broad in-depth overview of important relationship between water quality and human health.
- 5) The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums.

Beneficiaries: - Students, Villagers, Farmers, Stakeholders from nearby villages.

Contributors: -MSc-I Chemistry will work as volunteers during activity and staff of Chemistry Department will supervise the demonstration and activity.

Outcomes: -

Soil Analysis Course Out Comes.

- 1) Gained in depth knowledge on the pattern of soil cover.
- 2) Able to characterize for effective utilization of land for agricultural purposes.
- 3) Import Knowledge about the techniques of soil Fertility evaluation.
- 4) Clear Understanding of soil health & soil Quality indices.

Water Analysis Course Out Comes.

- 1) Understand meaning of important parameter for measuring water Quality
- 2) Water Quality Criteria & Standards and their relation to crop.
- 3) Plan water quality surveillance for a given aquatic environment and to understand water a test result means in terms of the health of the ecosystem.

Conduction of activity/content:

- 1. Students prepare a poster that shows importance of Soil & water.
- 2. Students went to farm and collected the sample.
- 3. Explain benefits of soil & water analysis & its importance in future for mankind.
- 4. Student will answer questions regarding their Quires.

"Soil Water Analysis at Kelwad"

Report

Department of chemistry conducted an outreach activity Soil-Water Analysis for nearby villagers. The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums. Our college Conducts this program to ensure that all students, Farmers stake holders are get benefits of soil & water analysis & know its importance in future for mankind.

As a social commitment, teachers and students of our department visit nearby village **Kelwad** on 17th April 2023 to determine the optimum soil & water test levels for various nutrients for specific soil and crop combination. In this activity 12 students of MSc- II Analytical Chemistry and 3 Teachers and 1 lab attendant participated. Students Volunteer explained benefits of soil & water analysis & its importance in future for mankind. soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed. 24 Farmers participated in this outreach activity.

Department of Chemistry is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Departments is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity

Subject- Regarding the soil water test at Kelwad

Sir,

In addition to the above subject, Shirdi Sai Rural Institute's Arts, Science and Commerce College, Rahata, Taluka Rahata, District Ahmednagar, on behalf of the Department of Chemistry of this college conducted soil water analysis activity on Monday 17.04.2023 in the farmer's field of our village Kelwad. In which, 03 teachers and 12 students of Rahata college showed active participated. Moreover, 24 farmers benefited from this initiative.

To appreciate this work, *Grampanchayat* of Kelwad appreciating all students, staff and volunteers of A.S.C college, Rahata by this letter.

Thank you.

Subject – Regarding permission for an Outreach Activity: Soil and Water Analysis.

Sir,

Department of Chemistry is going to organize an Outreach activity namely Soil and Water Analysis in Villages Khadkewake on Saturday 04/02/2023 from 9.30 am. The students of Chemistry Department Will visit the villages and will collect the samples of soil & water from Farm. They will also explain the importance of soil-Water analysis and its advantages to the villagers. The objective of activity, list of participants is attached herewith.

Kindly, give permission to conduct the activity in Khadkewake on 04/02/2023.

Thank you, Yours Faithfully

Subject: Regarding permission for an Outreach Activity as

Renewable Energy Awareness Mission

Dear Sir,

Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Kelwad village, Taluka Rahata, on Monday 17/04/2023 from 9.30 am onwards. The students of Physics department will visit village and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Kelwad on 17/04/2023.

Thank you.

Department of Physics Arts, Science and Commerce College, Rahata

Outreach Activity Renewable Energy Awareness Mission

- Aims and objective: 1. To create awareness about use of renewable/Solar Energy in daily life.
 - To Guide students, stakeholders; about working of Solar light operated instruments.
 - 3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
 - 4. To motivate and encourage the visitors, students, for use of Solar Instruments.
 - Awareness about Energy saving, pollution due to Electricity generation.

Beneficiaries: Students, Villagers, stakeholders from nearby villages.

Contributors: Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

Outcomes:

Students/Visitors will learn following things from this activity:

- 1. They will learn about techniques of use of solar instruments.
- 2. Students will acquire demonstration skill of various instruments.
- 3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays,
- 4. They will understand necessity of solar energy for their future.

Conduction of activity/Content:

- 1. Students Prepare a poster of solar instrument showing its various parts.
- 2. Students give live demonstration of various instruments.
- 3. Students will answer questions regarding working and explain benefits of
- 4. Students clarify curries of visitors and encourage to use Solar instruments.
- 5. Explains benefits of solar energy and its scope in future for mankind.

Renewable Energy Awareness Mission

Department of Physics conducted an outreach activity on Renewable Energy Awareness Mission for nearby villagers. Our activity focuses on raising awareness in villagers about renewable energy sources especially solar energy. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of solar energy.

As a social commitment, teachers and students of our department visit nearby village Kelwad on 17th April 2023 to popularize & promote use of renewable energy sources, especially Solar Energy. In this activity, 8 students of S. Y. B. Sc. and T. Y. B. Sc. Physics and 2 teachers participated. Students of department explained working of solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of demonstrations, people get idea about necessity of use of solar energy. During the demonstration students also created awareness about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. School students and villagers visited and participated in this outreach activity.

Department of Physics is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity.

Appreciation Letter

The Department of Physics, Arts, Science and Commerce College, Rahata, conducted the "Solar Energy Awareness Program" on Monday 17/04/2023 in our Kelwad village. The students give demonstration of various solar instruments to farmers, villagers and school students. They also give detail information about solar energy and explain the necessity of Solar Energy to the villagers. The students created awareness about solar energy by door to door visit in village.

The Kelwad Grampanchayat is thankful to the College, Physics department and all volunteers.

Subject : Regarding permission for an Outreach Activity as Renewable Energy Awareness Mission

Dear Sir.

The special winter camp of NSS of our college is organized at Ekrukhe from 03/01/2023 to 09/01/2023. Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Ekrukhe village, Taluka Rahata, on Friday 06/01/2023 from 9.30 am onwards, where camp is organized. The students of Physics department will visit the camp and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Ekrukheon 06/01/2023.

Thank you.

Appreciation Letter

The students and teachers of the Department of Physics of Arts, Science and Commerce College, Rahata, conducted a Demonstration of Solar equipment under the "Solar Energy Awareness Mission" in our Ekrukhe village on Friday 06th Jan 2023 for farmers and villagers. The students give practical demonstrations of the Solar equipment to farmers, villagers and school students. The volunteers also gave detailed information about solar energy and explained the necessity of Solar Energy to the villagers through door-to-door visits in the village.

The Ekrukhe Grampanchayat is thankful to the College, Physics department and appreciates all volunteers for this activity.

"Tree Plantation"

Aims and Objectives-

Tree plantation initiatives may vary based on local needs and environmental condition, but overall, these efforts are critical for maintaining a health and sustainable environment for current and future generations.

Beneficiaries- Student, Villagers, Stakeholder from nearby activity.

Contributors- Student of S.Y. B.Sc. and T.Y. B.Sc. Botany will work as volunteers during activity and Staff of Botany Department.

Outcomes-

- 1. Improved air quality due to increased oxygen production and reduced pollution.
- 2. Habitat creation for local wildlife.
- 3. Trees provide shelter and food for wildlife, contributing to biodiversity conservation.
- 4. Tree roots help control the flow of water, reducing the risk of flooding.

"Tree plantation at Kelwad"

Report

The Department of Botany at Arts, Science and Commerce College Rahata organized a tree plantation event on 04 March 2023 in the pleasant village of Kelwad. The primary objective of this event was to promote environmental conservation and create awareness about the importance of trees and their role in maintaining ecological balance.

The event commenced with an inaugural ceremony, attended by faculty members, students, and local community members. The ceremony began with a prayer for the success of the plantation drive. The tree plantation event garnered enthusiastic participation from students, faculty, and members of the local community. The diverse group of participants reflected the collective commitment to environmental conservation.

The Department of Botany chose a strategic location in Kelwad for the plantation drive. The selected site had been identified as an area in need of reforestation due to deforestation and ecological degradation. Various native and ecologically suitable tree species were carefully chosen for plantation. This selection aimed to restore the local ecosystem and support the biodiversity of the region. Participants, including students and community members, actively engaged in planting the selected saplings. Proper planting techniques were demonstrated, emphasizing the importance of ensuring the survival and growth of the newly planted trees.

The tree plantation event organized by the Department of Botany at Arts, Science and Commerce College Rahata in Kelwad was a resounding success. Under this activity 80 crops were planted of following species.. It brought together people from diverse backgrounds to contribute towards a greener and more sustainable future. The initiative not only helped in replenishing the local green cover but also raised awareness about the vital role trees play in maintaining ecological balance and conserving the environment.

The Department of Botany is committed to fostering a sense of environmental responsibility and plans to organize similar events in the future to continue the noble cause of tree plantation and environmental conservation.

"Medicinal Tree Plantation at Khadkewake"

Report

The Department of Botany at Arts, Science and Commerce College, Rahata organized a medicinal tree plantation event on 17 April 2023 in village Khadkewake. The primary objectives of this event was to promote environmental conservation and create awareness about the importance of medicinal Plants and their role in maintaining healthy life.

The event commenced with an inaugural ceremony, attended by faculty members, students, and local community members. The ceremony began with a prayer for the success of the plantation drive. The tree plantation event garnered enthusiastic participation from students, faculty, and members of the local community. The diverse group of participants reflected the collective commitment to health care sector.

The Department of Botany has selected a various native and medicinal value adding species for plantation in the village Khadkewake. This selection aimed to restore the local health care and support the health maintenance of the village. Proper planting techniques were demonstrated, emphasizing the importance of ensuring the survival and growth of the newly planted saplings.

The tree plantation event organized by the Department of Botany at Arts, Science and Commerce College Rahata in Khadkewake was a resounding success. It brought together people from diverse backgrounds to contribute towards a greener and more sustainable health care practices. The initiative not only helped in replenishing the local green cover but also raised awareness about the vital role of various herbal species in maintaining healthy life. A total of 3 staff members and 9 students from botany department participated and played important role to make this activity successful.

Department of Zoology Organized

"Vermicomposting Awareness Mission at Kelwad"

Repot

Department of Zoology conducted an outreach activity on Vermicomposting Awareness Mission for farmers of Kelwad. Our activity focuses on vermicomposting awareness in farmers. Our college conducts this program to ensure that all the students, and farmers are motivated for the vermicomposting and use of vermicompost.

As a social commitment, teachers and students of our department visited the nearby village of **Kelwad on** 17/04/2023. to popularize & promote the use of vermicompost. In this activity, 14 students of F. Y. B. Sc. and 2 teachers participated. Students of the department explained the preparation of vermicomposting pit, the process of preparation, benefits for increased soil fertility and increased yield of crop. During the explanation students also created awareness about the pollution of soil & climate. The students visited and communicated 15 farmers in the kelwad during the mission and created awareness about vermicomposting.

The Department of Zoology is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission for this activity and also for providing necessary facilities to conduct this program. The department is also thankful to farmers for their kind cooperation during the activity.

Subject: Regarding permission to organize Community Engagement Activity ...

Dear Sir,

The Department of English would like to organize Community Engagement Activity as 'Enriching English Language' for primary level students of ZP's Primary School at **Khadakewake**, on Monday, 17, April 2023. The students of English department will visit the primary school at given village and will aware the students about English words, their spellings etc. through various activities.

You are requested to grant permission for the organization of such activity.

Thank you,

Yours Sincerely,

Dr. Rohini D. Kasar

Head of the English department

Shirdi Sai Rural Institute's

Arts, Science and Commerce College, Rahata

Department of English

Outreach Activity

Enriching English Language

Introduction:

English language has become a necessary part of every human beings life. It is a global language of communication, therefore the department of English decided to conduct this activity for primary and secondary school level students. The aims and objectives of the activity are as follows:

Aims and Objectives:

- 1. To enhance English language proficiency among primary level students through various word games and word puzzles.
- 2. To establish partnership with local communities.
- 3. To implement innovative and inclusive teaching methods.
- 4. To empower students to apply their English Language Skills beyond the classroom.

Social Commitment:

Students at the Undergraduate level have English as a special subject. They get advanced knowledge of the language. It is their duty to help their fellow brothers and sisters at school level to improve their English. The Department of English organized a Community Engagement Activity as 'Enriching English Language' for primary level students of ZP Primary School at Khadakewake, on Monday, 17th April 2023. As a social commitment, teachers and students of our department visited a nearest village Khadakewake to enhance English language proficiency among primary level students through various word games and word puzzles.

Eight students and two staff members participated in this activity. Various English Language enriching activities like word games, puzzles etc for the students of Standard I to Standard VII were

conducted by them. Dr. Rohini Kasar and Ms. Pranali Bothe guided the students about the English language enrichment activities. They took efforts to organize the activity.

Outcomes:

- 1. Students developed a positive attitude towards learning English, fostering a love for language acquisition.
- 2. Establishing partnerships with local communities fostered a sense of community integration.
- 3. Group activities encouraged collaboration and teamwork.

Department of English is very thankful to Director Dr. Mahesh Kharde and Principal Prof. (Dr.) S. S. Gholap sir for granting permission to this activity and also providing necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of Grampanchayat, teachers and students for kind cooperation during the activity.

Dr. Rohini D. Kasar

"Insurance awareness Survey at Kelwad"

Report

Department of Commerce conducted an outreach activity on "Insurance awareness Survey "awareness mission in village Kelwad on Tuesday, 18th April, 2023. Our activity focus on raising awareness in villagers about Insurance awareness survey. Our college conducts this program to ensure that all the students, Farmers, senior citizen, Women, are get engaged and be motivated for the use of insurance awareness policy.

As a social commitment, teachers and students of our department visit in village Kelwad on Tuesday, 18th April, 2023 to promote use of Insurance Policy. Students of the department explained Sustainable Life Insurance Policy, Medical Insurance Policy, Vehicle Insurance Policy, Crop Insurance, Husbandry Insurance Policy, Business Insurance etc.

In Insurance Awareness Survey Students prepare questioner and fill by farmers stakeholders. During the program students also created awareness about importance of Insurance Policy, New Insurance Policy, School students and villagers visited and participated in this outreach activity. 10 students of the department of Commerce and 47 farmers were participated in this program.

Department of Commerce is very thankful to Director, Dr. M.N. Kharde and Principal Prof. Dr. S. S. Gholap Sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of Grampanchyata, Villagers for kind cooperation during the activity.

"Digital Marketing Survey at Kelwad"

Report

Department of Commerce conducted an outreach activity on "Digital Marketing awareness" mission in village Kelwad on Tuesday, 18thApril 2023. Our activity focus on raising awareness in villagers about Digital Marketing Survey. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of Digital Tools.

As a social commitment, teachers and students of our department visit in village Kelwad on Tuesday, 18th April, 2023 to promote use of Digital Tools. Students of the department explained Sustainable Social Media, E-mail, Facebook, Instagram

In Digital Marketing Survey Students prepare questioner and fill by farmers stakeholders. During the program students also created awareness about importance of Digital Marketing, modern Digital Tools methods, School students and villagers visited and participated in this outreach activity. 10 students of the department of Commerce and 58 farmers were participated in this program.

Department of Commerce is very thankful to Director, Dr. M.N. Kharde and Principal Prof. Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of Grampanchyata, Villagers for kind cooperation during the activity.

Water Conservation Awareness Mission

Introduction:

Water is one of the important resources on the planet. Without water, life cannot exist. Water is used

for industry and agriculture production. Water conservation refers to the preservation of water and its

resources through careful planning, control, development, and management of resources. Water

conservation is become very important issue in rural part of India. Most part of our country is depend on

monsoon rainfall. 85 percent available water comes from the rain while the remaining 15 percent comes

from the melting of snow. Almost 80 % of the water in India is used in agricultural practices. The rainfall

in India is very irregular. There is large variable in rainfall in year to year. Water scarcity is caused by an

uncontrollable rise in the population. Through rainwater harvesting the level of underground potable water

is increased through the increase in the water table.

Dept. of Geography take efforts in the field of water conservation. Firstly dept. selected a village

namely Khadkewake for conduct various activity in the village Khadkewake. Department of Geography

focused on Modern Irrigation methods, Rally on water conservation, Discuss with local farmers on water

issues, Poser presentation, Presidion farming, Importune of water and other issues.

Social Commitment:

Dept. of Geography teaching to the students on agriculture development, Population, Human resources,

new techniques in various fields. Social development is one of the important responsibility of each person.

The social worker should focus on water conservation programme in rural areas.

About Activity:

Dept. of Geography has organized outreach activity on Water Conservation Awareness Mission at village

Khadkewake on Saturday 18/04/2023. The nature of activity as follows.

Organize rally on water conservation

ARTS, SCIENCE AND COMMERCE COLLEGE, RAHATA

Poster presentation in rally on water conservation

To discuss with farmers on water conservation

To arrange lecture on water conservation.

Aims and Objective:

- 1. To create awareness about use of water conservation process
- 2. To guide students, farmers, citizens about water conservation
- 3. To conduct a rally about water conservation by presentation of poster
- 4. To motivate and encourage the students, farmers and citizens. For use of water conservation

Beneficiary: Students, farmers, citizen's stakeholders from nearby villages

Contributors: Students of SYBA and TYBA Geography will work as volunteers during activity and staff of Geography department will supervise the activity.

Outcome: Students/farmers and citizens will learn following things from this activity:

- 9. They will learn about techniques of water conservation
- 10. Students and farmers will acquire skills of various methods of water conservation.
- 11. Students and citizens get knowledge about working and operation of various methods like Sustainable agriculture, Soil conservation, Water dam, efficient water system, Water managements Close Contour Trenches (CCT) etc.
- 12. They will understand necessity of water conservation for their future.

Conduction of activity /content:

- 11. Students prepare a poster of water conservation showing various methods.
- 12. Students give information of various water conservation methods.
- 13. Students will answer question regarding water conservation methods.
- 14. Students clarify curries of farmers and citizens and encourage to gives water conservation methods
- 15. Explain benefits of water conservation and its scope in future for mankind.

To.

Principal,

Arts, Science and Commerce College, Rahata

Subject: Permission to organize Street Play on Social Awareness under Community

Engagement Centre (CEC)....

Respected Sir,

Department of Hindi and Marathi are going to organize an Outreach activity namely Street Play on Social Awareness in village Khadkewake on 18 April, 2023, from 10.00 am to onwards. The students of Marathi and Hindi department will visit that village and awareness about various social issue. They will also explain advantages, benefits and application of women empowerment, voter awareness, Aids awareness, Health awareness, save girl child, literacy and various Social issues to the villagers. The objectives of the activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Khadkewake village on 18/04/2023.

Thank you,

Yours Faithfully,

Dr. S. B. Kadam

Dr. D. N. Dange

Introduction:

Street play on Social Issue: Social awareness is an important factor for any issues. Street play

is directly focused on problems of any issues of society. We will create awareness about Health issues,

Water issues, Education, Save girl child, Literacy, gender equitation etc. Ratio in male and female

population is a important issue in our population. No. of girl child's is decreased from last two decades.

The count of the numbers of the girls has been continuously decreasing for many years in India, Which

can cause huge problems in futures. The Indian Government has taken many measures to save girl child

such as Beti Bachao Beti Padhao.

Social Commitment:

It is very important focus our attention on saves girl child issue. It is a responsibility of all of us. Each

and every person will take responsibility for save girl child in our country. The role of education is very

important for save girl child's campaign. It is the duty of department of languages to inculcate moral

values among students. Therefore, through this activity; an attempt is made to involve students in

awareness programmers through an art like a street play.

About Activity:

Dept. of Marathi and Hindi have decided to aware the villagers of Khdkewake on the issues of

Save Girl Child through street plays. The objective of the activity is to inculcate the importance of girls in

the well being of society. Gender parity should be maintained.

Aims and Objective:

1. To create awareness about save Girl child, Literacy and Blind Belief

2. To guide students, farmers, citizens about Blind Belief

3. To conduct a rally about Save Girl Childs by presentation of poster

4. To motivate and encourage the students, farmers and citizens for Social awareness

Beneficiary: Students, farmers, citizen's stakeholders from nearby villages

Contributors: Students of SYBA and TYBA Dept. of Marathi and Hindi will work as volunteers during

activity and staff of Marathi and Hindi department will supervise the activity.

Outcome: Students/farmers and citizens will learn following things from this activity:

- 13. They will learn about don't follow blind belief. They will appreciate the birth of girl child
- 14. They will create awareness among people about baby girl
- 15. Students and citizens get knowledge about literacy and importance of girl in society
- 16. They will understand the impact of blind belief

Conduction of activity /content:

- 16. Students prepare a poster of save girl child.
- 17. Students give information of saving girl child and literacy
- 18. Students will create awareness among people through street play

Conclusion:

Dept. of Marathi and Hindi jointly organized activity on Save Girl Child at village Khadkewake. Students, local citizens, teachers were participated in this activity. We successfully created awareness among farmers and citizens in the village Kahdkewake. Girls should be treated like boys by their parents and they should be given equal opportunities in all field. Dept. of Marathi and Hindi is very thankful to Director Dr. Mahesh Kharde and Prin. Prof. Dr. Somnath Gholap sir for granting permission to this activity and also providing necessary facilities to conduct this programme. Dept. is also thankful to Sarpanch, all members of Gram Panchayat, Teachers and Students for kind cooperation during the activity.

Date 15/04/2023

Department of Hindi and Marathi Organized

"Street play and social awareness at Khadkewake"

Report

Department of Hindi and Marathi conducted an outreach activity "Street Play on Social Awareness" to aware people in the village Khadkewake on 18th April 2023. The activity focused on raising awareness in villagers about various issues such as literacy, Women feticide, Addiction awareness, save girl child, health, voter awareness, Aids Awareness, save tree, save water etc. Department of Marathi and Hindi jointly conducted this street play programme to ensure all the students, citizens are get engaged and be motivated about it.

As a social commitment teachers and students of our departments visited village Khadkewake on 18th April 2023 to popularize and create awareness in society. Total 16 students of SYBA and TYBA and 5 teachers participated in this activity. Students performed Street play. Through street play, they conveyed the message about the need of literacy, Women feticide, Addiction awareness, save girl child, health, voter awareness, Aids Awareness, save tree, save water etc. Local school children's and villagers of Khadkewake were viewers of this programme.

Department of Marathi and Hindi are very thankful to Principal Prof. Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this programme. Departments are also thankful to Sarpanch and all members of Grampanchyata, Khadkewake as well as Villagers for kind cooperation during the activity.

Subject – Regarding permission for an Outreach Activity as

Soil and Water Analysis.

Dear Sir,

Department of Chemistry is going to Organize an Outreach activity namely Soil and Water Analysis in Villages Adgaon on Saturday 1/4/2022 from 9.30 am onwards. The students of Chemistry Department Will visit the villages and will collect the samples of soil & water from Farm. They will also explain the importance of soil-Water analysis and its advantages to the villagers. The objective of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Adgaon on 1/4/2022.

Thank you, Yours Faithfully

Head Dept.

Of Chemistry

Dept. of Chemistry Art's,Science & Commerce College, Rahata, Dist. Ahmedhagar

04

Department of Chemistry

Arts, Science and Commerce College, Rahata Soil water Analysis

Aim and objective:-

- 1) To determine the level of nutrient found in a soil sample.
- 2) A soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed.
- 3) To identify water quality of different water resources using different analytical methods.
- 4) To improve quality of water using suitable purification techniques. To provide a broad in-depth overview of important relationship between water quality and human health.
- 5) The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums.

Beneficiaries: - Students, Villagers, Farmers, Stakeholders from nearby villages.

Contributors:-MSc-II Analytical Chemistry will work as volunteers during activity and staff of Chemistry Department will supervise the demonstration and activity.

Soil Analysis Course Out Comes.

- 1) Gained in depth knowledge on the pattern of soil cover.
- 2) Able to characterize for effective utilization of land for agricultural purposes.
- 3) Import Knowledge about the techniques of soil Fertility evaluation.
- 4) Clear Understanding of soil health & soil Quality indices.

Water Analysis Course Out Comes.

- 1) Understand meaning of important parameter for measuring water Quality
- 2) Water Quality Criteria & Standards and their relation to crop.
- 3) Plan water quality surveillance for a given aquatic environment and to understand water a test result means in terms of the health of the ecosystem

Conduction of activity/content:

1. Students prepare a poster that shows importance of Soil & water.

- 2. Students went to farm and collected the sample.
- 3. Explain benefits of soil & water analysis & its importance in future for mankind.
- 4. Student will answer questions regarding their Quires.

Outreach Activity Report

Soil and Water Analysis

Department of chemistry conducted an outreach activity Soil-Water Analysis for nearby villagers. The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums. Our college Conducts this program to ensure that all students, Farmers stake holders are get benefits of soil & water analysis & know its importance in future for mankind.

As a social commitment, teachers and students of our department visit nearby village Adgaon 1th April 2022 to determine the optimum soil & water test levels for various nutrients for specific soil and crop combination. In this activity 110 students of T.Y.Bsc. Chem. and 6 Teachers & 1 lab attendant participated. Student Volunteer explained benefits of soil & water analysis & its importance in future for mankind. soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizers needed. Farmers participated in this outreach activity.

Department of Chemistry is very thankful to Director and Principal prof. S.V. Lahara sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Departments is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity

Subject: Regarding permission for an Outreach Activity as Renewable Energy Awareness Mission

Dear Sir,

Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Ekrukhe village, Taluka Rahata, on Thursday 06/01/2022 from 9.30 am onwards. The Physics department students will visit villages and demonstrate the various solar energy instruments. They will also explain the advantages, benefits and applications of solar based instruments to the villagers. The objectives of the activity, list of participants is attached herewith.

Kindly permit us to conduct the said activity in Ekrukhe village on 06/01/2022.

Mand

Thank you.

Yours Faithfully

Student Notice

All students of S. Y./T. Y. B. Sc. Physics are hereby informed that, department of Physics is going to organize an outreach activity on Renewable Energy Awareness Mission on 06/01/2022 from 9.30 am onwards in Ekrukhe Village. The list of Activity Coordinator and Volunteers is attached herewith.

All students must remain present in college at 8 am in college with identity card and in college dress code.

Head of Department
HEAD
Dept of Physics

Department of Physics Arts, Science and Commerce College, Rahata

Extension Activity For Nearby Villagers Solar Energy Popularization Program-2021-22

- Aims and objective: 1. To create awareness about use of Solar Energy in daily life.
 - 2. To Guide students, stakeholders; about working of Solar light operated instruments.
 - 3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
 - 4. To motivate and encourage the visitors, students, for use of Solar Instruments.
 - 5. Awareness about Energy saving, pollution due to Electricity generation.

Beneficiaries: Students, Villagers, stakeholders from nearby villages.

Contributors: Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

Outcomes:

Students/Visitors will learn following things from this activity:

- 1. They will learn about techniques of use of solar instruments.
- Students will acquire demonstration skill of various instruments.
- 3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays, summary etc.
- 4. They will understand necessity of solar energy for their future.

Conduction of activity/Content:

- 1. Students Prepare a poster of solar instrument showing its various parts.
- Students give live demonstration of various instruments.
- 3. Students will answer questions regarding working and explain benefits of instrument.
- 4. Students clarify queries of visitors and encourage to use Solar instruments,
- Explains benefits of solar energy and its scope in future for mankind.

Solar Energy Popularization Program-2021-22

Department of Physics runs an extension activity as Solar Energy Popularization program for native villagers. Our energy popularization focuses on raising awareness by educating all stakeholders. Our college manages the program to ensure that all the students are engaged and motivated through people and use the energy conservation material. Once student understand and become fully aware of the benefits of energy efficiency they become an important tool in helping you achieve your energy management goals.

As a social commitment, teachers and students of our department visit nearby village Ekrukhe on 6thJanuary 2022 to popularize & promote use of renewable energy sources, especially Solar Energy. There are 16 students and 4 teachers participated in this extension activity. During the visits, awareness is created about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. Students of physics department explained working of solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of demonstrations, people get idea and get aware about necessity of use of solar energy. All NSS volunteers, program officers, school students and villagers visited and participated in this extension activity.

Department of Physics is very thankful to Dr. M. N. Kharde, Director of SSRI, Prof. S. V. Lahare, Principal of College, Dr. D. N. Dange, NSS program officer, Mr. Jitendra Gadhave, Sarpanch, Mrs. Saatav, Mr. Bhawar Members of Grampanchayat for giving an opportunity to serve society during NSS winter camp.

Appreciation Letter

The students and teachers of the Department of Physics of Arts, Science and Commerce College, Rahata, conducted a Solar Cooker Demonstration under the "Solar Energy Awareness Mission" in our Ekrukhe village from Monday 03/01/2022 to Sunday 09/01/2022 for farmers and villagers. The students give a demonstration of the Solar Cooker to farmers, villagers and school students. The volunteers also gave detailed information about solar energy and explained the necessity of Solar Energy to the villagers through door-to-door visits.

The Ekrukhe Grampanchayat is thankful to the College, Physics department and appreciates all volunteers for this activity.

Department of Botany

"Seed Ball Activity"

Aims and Objectives-

Aims-

- 1. Improve soil fertility and prevent erosion through the growth of various plant species.
- 2. Increase plant diversity in the area, which supports wildlife and helps maintain ecological balance.
- 3. Encourage the growth of native plants and trees to restore and enhance local ecosystem.

Objectives-

- 1. Engage participants in the process of creating seed ball, using seeds and soil.
- 2. Organize events to distribute and sow seed balls in targeted areas that need greening.

Beneficiaries- Students, Villagers.

Outcomes-

- 1. Successfully increased the green cover in and around Adgaon village by planting a significant number of trees and plants through the seed ball method.
- 2. Improved biodiversity in the area by introducing a variety of native plant species, providing habitats for local wildlife, and supporting ecosystem stability.
- 3. Enhanced soil health and reduced erosion through the growth of native plants and trees.
- 4. Provided hands-on learning experiences for students of botany and environmental science, enhancing their understanding of plant biology, ecology, and conservation techniques.

"Seed ball Activity"

On 20th July 2021, the department of Botany organized a Seed Ball Activity at Adgaon Village, involving the participation of Second Year B.Sc. (S.Y. B.Sc.) students and staff members. This initiative aimed to promote reforestation, enhance biodiversity, and raise environmental awareness among the local community and students.

The native tree species like *African tulip* (flame of the forest), *Bauhinia variegate* (Kanchan), *Azadirachta indica* (Neem) etc. were selected for seed ball preparation to ensure compatibility with the local ecosystem. Areas in Adgaon Village that required reforestation were identified and marked. Participants travelled to Adgaon Village and dispersed the seed balls in the pre-selected areas. The seed balls were sown by scattering them across the targeted locations.

Approximately 100 seed balls were sown, which are expected to grow into healthy trees and plants, increasing the green cover in Adgaon Village. The introduction of plant species is expected to improve the local biodiversity, providing habitats for various wildlife species.

The excited participation of S.Y. B.Sc. students and staff members, along with the support of the local community, made this initiative successful and impactful.

College, Rahata
21st February 2022

To,

The Principal,

Arts, Science and Commerce College, Rahata

Subject: Regarding the permission to conduct a Community Engagement activity for Junior College students...

Dear Sir,

As per the above-mentioned subject, the department of English would like to conduct an outreach activity named 'Guidance to HSC Students for the Preparation of Board Examination' at Sharda Junior College, Rahata. We are planning to conduct the activity on 23rd February 2022, Wednesday. It would be a guidance lecture for the preparation of English subject and to boost their morale by giving them some tips for facing the examination.

You are requested to grant us permission to conduct the activity.

Yours Sincerely,

Dr. Kasar Rohini. D

Subject: Regarding the permission to guide HSC students of your college...

Respected Sir,

The department of English of our college wants to conduct an outreach activity as a part of social commitment for the students of HSC of your college on 23rd February 2022 at 9:00 am. The HSC board examination is an important mile stone in the life of students. Therefore, the teachers of English of our college will give them some tips for the preparation of English subject and will boost their morale by giving them some tips for facing the examination.

You are requested to give us permission to guide your students. We look forward to your positive response.

Thank you,

Yours Sincerely,

Art's, Science & Commerce College Rahata, Dist, Ahmednagar

Arts, Science and Commerce College, Rahata

1.	Name of the Department	: Department of English
2.	Title of the Activity	: Guidance to HSC students for the preparation of Board Examination
3.	Day, Date and Time	: Wednesday, 23, February 2022
4.	Name of the Co-Ordinator	: Dr. Kasar R. D.
		Ms. Bothe P.G.
5.	No. of Beneficiaries	: Sharada Junior College, Rahata -112
6.	No. Teachers Participated	: 02

Introduction:

English language has become a necessary part of every human beings life. It is a global language of communication, therefore to extend the subject knowledge of English to society at large and the students of Junior college in particular; the department of English has decided to conduct few sessions of HSC students from Sharda Jr. College, Rahata. The aims and objectives of the activity are as follows:

Aims and objective:

- 1. To help the HSC students in the subject of English.
- 2. To guide them regarding the techniques of how to tackle the question paper.
- 3. To guide them on important topics like grammar, reading comprehension.
- 4. To teach them the techniques of writing skills.

Social Commitment:

Teachers with an advanced knowledge of the language, having their duty to help their students to conduct few sessions of HSC students.

The teachers of the department approached to the concerned Principals and sought their permission regarding the same. comprehension, writing skills etc. They also gave them few tips to face the examination without In the month of February, Dr. Rohini Kasar and Ms. Pranali

Bothe conducted two sessions each in each college on the important topics in English. They

taught few techniques like how to solve the question paper, reading stress. Dr. Rohini Kasar

conducted guided meditation and made them relaxed. Total 112 students from Sharda Jr. College

were benefitted by the activity. Mr. Kadam from Sharda Jr. College cooperated in conducting

these activities.

Outcomes: Students will learn following things from this activity:

1. Students will learn techniques in solving the question paper of English;

2. Students will assimilate the techniques of reading comprehension;

3. They will understand the skills in writing essays, summary etc.

4. They will learn how to face an examination without stress.

Conclusion:

Dr. Rohini Kasar, HoD, English and Ms. Pranali Bothe took efforts to make the activity

successful. Dr. Mahesh Kharde, Director of SSRI and Principal Mr. Sanjay Lahare guided the

staff and motivated them to conduct such activities. Students got useful tips before the

examination, therefore many students personally told the teachers about the usefulness of the

programme.

The students of T.Y.B.Com will arrange Rally in Pimplas and they will awareness on Consumer Protection Act. They will also explain Consumer rights, Powers, fill compliant in the consumer forum and get justice etc. to the Villagers.

Kindly give permission to conduct the Rally in Pimplas village on 24/12/2021.

Thank You,

Yours Faithfully,

DEPARTMENT OF COMMERCE Arts, Science & Commerce College Rahata, Dist. Ahmednagar

ARTS, SCIENCE AND COMERCE COLLEGE, RAHATA

Commerce Department

Organize Rally

on

Consumer protection Act awareness

Objective

- 1. To provide complete and adequate knowledge to the customer.
- 2. To prohibit the customers from taking any wrong decisions.
- 3. To analyze the suitability of the product with the particular buyers.
- 4. To interpret the needs of the customers more efficiently.
- 5. To achieve maximum satisfaction of the buyers and customers.

Social Commitments:

- (a) Consumer Protection Act is applicable to all goods, services and unfair trade practices unless specifically exempted by the Central Government
- (b) Consumer Protection Act covers all sectors private, public as well as co-operative.
- (c) It provides three tier machinery for settling consumer grievances.
- (d) Consumer Protection Act provides rights to consumers.

About Activity:

Consumer protection act was established in 26th December 1986, and 2nd Amendment in 2019. The main purpose of this act was to create awareness in consumer, from being cheated by others. The information regarding this is given in this Rally such as rights to safety, the rights of information, rights to choose anything, the rights to express your opinion, rights to complaint,

rights to redressed, rights to education and various other rights that consumer have to create awareness about consumer day among people.

Outcome:

- 1. Consumers have the right to be free of hazardous goods and services that jeopardize their lives and property.
- 2. The customer has a right to know about the quantity, consistency, purity, strength, and quality of goods and services.
- 3. Furthermore, consumers must pay reasonable rates for the goods they purchase.
- 5. Consumer awareness means the knowledge and information of the products which consumers are buying.
- 6. Its outcomes are nowadays people are more alert about the products they are purchasing and manufacturer has to provide complete information about the product.

HEAD PEPARTMENT OF COMMERCE - Science & Commerce College

ARTS, SCIENCE AND COMMERCE COLEGE, RAHATA

DEPARTMENT OF COMMERCE Organized "Consumer Protection Act Awareness"

In our Arts, Science and Commerce College, Rahata, of Department of Commerce celebrated Consumer day on 24th December 2021 in village Pamplas.

We arranged prabhatferi in village pimplas, on the occasion of Jago Grahak day. In this rally 130 Students of commerce department were participated actively. The main purpose, it is to create awareness in rural area about consumer act, protection act and fraud information provided.

The consumer production act was created to deal with a large number of consumers, but many consumers were cheated in the country and abroad.

On this occasion it is essential to know them consumer rights act. It is our expectation to create moral in the people of pimples village. It will helpful to students of commerce department, especially pimplas village

Consumer protection act was established in December 1986, the main purpose of this act was to create awareness in consumer from being cheated by others. The information regarding this is given in this prabhatferi such as rights to safety, the rights of information, rights to choose anything, the rights to express your opinion, rights to complaint, rights to redressed, rights to education and various other rights that consumer have to create awareness about consumer day.

In such a way awareness was created among students of commerce department and people of pimples village through this prabhatferi. Alter this awareness all students reached to college

Outreach Activity: Socio- Economic Survey slum area in Rahata city

Academic Year 2021-2022

Introduction – Rahata city is located in Ahmednagar District of Maharashtra. Rahata city situated nearby the Major Pilgrimage Shirdi. Many people lives in Slum area in Rahata City. In order to know the Socio –economic problem of these Families a Socio-Economic survey has been conducted by the Department of Economics and Find out Socio –Economical Situation in the Slum area of the Rahata City.

Aim and Objective -

- 1. To Study the Socio -Economical Condition of the slum area in the Rahata City
- 2. To find out the problems of people in slum area in Rahata City.

Selected families - Department of Economics is conducted Socio-economic survey of the slum area of Rahata City. Collected questionnaires from 50 families in the slum area Rahata city and find economic condition and problem of slum area people. Questionnaire has been developed for Carrying out the survey slum area in Rahata City .for this Survey, the students of the Department of Economics Visited 50 families and collected information from them by filling the questionnaires.

Contributors- Dr. J. R. Dighe and Dr. A.G. Antre and 18 Students of Department of Economics contributed in this Survey.

Outcomes- Total 50 families questionnaires were summarized as follows: family size, house, and land education, Income, other

*Age Group and Gender wise Distribution – the Average age of the people in the sample was about 45 years .Average age of Males was 46 years and 40 years of the females. Majority of the 60% Belonged to 31.-40 years and 41.-50 years around 40 %

- *The Average size of family -in the slum Area 50 % Family Size 4 and 5 Member, 50 % people family size 6 Member
- *Housing Size -60 % families with the smallest household size and 25 % families' medium household size and 15 % families with the biggest household size.
- *Educational Status -nearly 50 % households who had undergone formal Education, 30 % 12th pass and 20 % were either graduates or post graduates.
- *Socio Category The Dominant Caste group to which the belongs was other Backward Class (OBC) accounting for 10.6% of the households ,general category 22.4 % Scheduled Caste 37.10 % and scheduled tribes 30 % .
- * Occupation 15 % Families occupation in Agriculture ,15 % Self Employed 20 % Services in various place , 11% Business , 34 % labour and 5 % in unemployed families .this is show mostly people are 34% labour . Only 20 % people Service slum area in Rahata city.
- * Annual income Annual income was 35% people Annual income below 60000 Rupees, 25 % people Rs.60 000 to Rs.80000 and 20 % Peoples Annual Income Rs. 80000 to Rs. 100000 lakh, 15 % people Annual income was 100000 to 200000 lakh rupees, 5 % people Annual income was 200000 lakh to 300000 lakh rupees. Very low income people slum area in Rahata city.

Other Assets – the household Assets Survey is a vital source of information on how households are managing economically .The study data shows that expenses towards asset is less and items like car 10%, another, two –wheeler motor bike 35 %, Mobile 50 % T.V, fan, toilet are common. The electric supply is available in city but it is irregular in slum area.

* Problem - large number of labour force, lack of education, lack of electricity, lack of regular water system, low wages in labour force, no internal drains for sewage, Health issues are high and lack of sanitization.

Socio- Economic Survey slum area in Rahata city Report

Department of Economics of Arts, Science and Commerce College Rahata has Conducted Socio-Economic Survey of slum area in Rahata City. A Socio-economic survey is regarded as one of the most important sources of statistical data on family's expenditure / income housing, health,educational status employment, labour force individual & household characteristics with the living conditions to assist and provide the sufficient information to the decision—makers to the sufficient information. The teacher of the department approached to concerned Principals and sought their permission regarding the same in the month of March 2022, Dr.J.R. Dighe and Dr. A.G. Antre Conducted Socio Economics Survey slum area in Rahata City and 18 Students help filling Questionnaires from 50 families in the slum area Rahata city. Total 50 families from slum area Rahata city participated in this Survey Activity.

Dr. J.R Dighe HoD, Economics and Dr. A.G. Antre took efforts to make the Survey Activity Successful. Dr. Mahesh Kharde, Director of SSRI and Principal Prof. Sanjay Lahare guided the staff and motivated them to conduct such activities. This survey helps to understand the Socio Economic Condition and problem of slum area families. The Students of Department of Economics actively participated in this Survey.

Introduction:

Department of Geography is always working on various social issues and new technology in agriculture field for farmers. Firstly Dept. of Geography choose a village Adgaon which is dryland area and located middle part of the Rahata tehsil. Farmers of the village are totally depends on monsoon for agriculture production. Farmers are interested to adopt new technology and methods for agriculture production. Dept. of Geography take efforts in the field of G. P. S. (Geographical Positional System) for farmers in the village Adgaon.

GPS is a space based satellite navigation system that provides location and time information in all weather conditions, anywhere on or near the earth. GPS and GIS are emerging technology in agriculture. Students of Dept. were teach how GPS is used to improve agriculture food production. Students planned field mapping, soil sampling Crop scouting, and yield mapping in the village Adgaon. Staff of the Dept. and students were give practically knowledge of GPS to the farmers. Farmers successfully collected sample of soils in their field.

Aims and objectives:

- 1. To create awareness about use of GPS for agriculture development. Landuse and lancover survey, population, settlement survey etc.
- 2. To organize field visit at village Adgaon.
- 3. To motivate and encourage the students farmers to use GPS techniques.

Social commitment:

The selected village is coming under rain shadow area. Villagers faced the problems of scarcity of water. Water scarcity is a significant challenge in rain fed regions, especially during dry spells and drought periods. GPS programmes is must require in village Khadkewake.

In the present rea of information communication technology, GPS mapping plays a vital role in agriculture, settlement, road, location, land use and land cover survey etc. The Dept. of Geography shoulders this responsibility to make people aware of the techniques and teach them primary techniques. So that they would use this techniques in the development of agriculture and land use and land cover. Students also learn the social responsibility.

About Activity:

Dept. of Geography has organized outreach activity on GPS survey awareness programme at village Adgaon on Saturday 5 January 2022, The nature of activity as follows.

Organize survey of population, Settlement and land use by GPS techniques.

Organize GPS survey demonstration at village Adgaon

To discuss with farmers on GPS survey techniques

To arrange lecture on GPS survey and plotting (Latitude, Longitude and Altitude)

Beneficiary: Students, farmers, stakeholders from nearby villages

Contributors: Students of SYBA and TYBA Geography will work as volunteers during activity and staff of Geography department will supervise the activity.

Outcomes: Students and farmers will learn following things from this activity:

- 1. They will learn about techniques of GPS survey.
- 2. Students and farmers will acquire skills of various methods of GPS survey.
- 3. Students and farmers get knowledge about working and operation of various methods like survey of agriculture, population, settlement, road, land use, land cover etc.

Conduction of activity /content:

- 1. Students give information of various GPS survey methods.
- 2. Students will answer question regarding GPS techniques and methods.
- 3. Students clarify curries of farmers and stakeholders encourage to gives GPS survey techniques.
- 4. Explain benefits of GPS survey techniques and its scope in future for mankind.

Conclusion:

Dept. of Geography organized activity on demonstration of GPS survey techniques at village Adgaon. Student and teachers were participated in this activity. We successfully created awareness among farmers in the village Adgaon. Dept. of Geography is very thankful to Director Dr. Mahesh Kharde and Prin. Prof. Dr. Somnath Gholap sir for granting permission to this activity and also providing necessary facilities to conduct this programme. Dept. is also thankful to Sarpanch, all members of Gram Panchayat, Teachers and Students for kind cooperation during the activity.

ARTS, SCIENCE, AND COMMERCE COLLEGE, RAHATA

Modi-Lipi Training Program

Report

The Department of History and Department of Marathi of Arts, Science and Commerce College, Rahata has conducted Workshop on Modi Lipi" from 24/03/2022 to 30/03/2022, for the students of college and youth from the nearby villages of Rahata, to impart knowledge of Modi Script. The workshop was organized under the guidance of Dr. Mahesh Kharde, Director, SSRI and the Modi script guide Hon. Shri. Mahesh Joshi, Vasundhara, Language, Modi script conservation and Research Centre, Pune.

On the occasion of Inaugural function of this workshop, Dr. Mahesh Kharde, Director, SSRI, Principal Prof. S.V. Lahare. Vice Principal Dr. D. N. Dange, Dr. S. K. Pulate, and Prof. T. K. Kumkar were present. Dr. S. B. Kadam introduced inaugural function and the guest of this occasion. The Chief Guest, Hon. Shri. Mahesh Joshi guided the students about the significance of Modi Script. President of the event Dr. Mahesh Kharde stated that such certificate courses are organized to enhance the knowledge of the students. He also convinced that such course leads towards the overall development of students.

The vote of thanks delivered by Dr. D.M. Nalage. The primary education of this certificate course started from 24/03/2022 to 30/03/2022 in the department of History by Hon. Shri. Mahesh Joshi, Vasundhara, Language, Modi script conservation and Research Centre, Pune. He taught the students the basic information of Modi script that is identification of letter, words, dates, months, letter writing, name of officers etc. during this period. Total **43** students were actively participated in this certificate course. The valedictory function presided over and distributed certificates to the participated students .

Department of Hindi

Organized

"Employment opportunities in Hindi Language"

Subject - Employment opportunities in Hindi language

- 1. To increase the interest of students towards Hindi language.
- 2. To explain the importance of Hindi language at global level.
- To motivate the students to make maximum use of Hindi language, so that they can get employment through Hindi.
- To inform the students about the employment opportunities available through Hindi language.

Participants: HSC students of above College.

- 1. ASC Jr. College, Rahata
- 2. Sharda Jr. College, Rahata

Contribution: Teachers

- 1. Dr. A. S. Shaikh
- 2. Dr. D. N. Dange

Program Content:

- Increase the interest of students towards Hindi language.
- Explaining the importance of Hindi language at global level.
- Motivate the students to make maximum use of Hindi language, so that they can get employment through Hindi.
- Informing the students about the employment opportunities available through Hindi language.

Program Outcomes:

- Students became interested in Hindi language.
- 2. Students understood the global importance of Hindi.
- 3. Students got information about the job in which field they can get through Hindi language.

Program Report:

On behalf of the Hindi department, it was decided to implement innovative activities for the students of class 12th studying in different colleges. Accordingly, the head of the department Dr. A. S. Shaikh and Dr. D. N. Dange guided the students of Sharda Jr. College, Rahata and ASC Jr. College, Rahata on the topic of "Employment opportunities in Hindi language". Under this, the students were given in-depth information about which field they can get employment by taking Hindi subject. Also, the importance of Hindi at the global level was demonstrated. On this occasion, efforts were made to create interest in Hindi among the students. It was also said that students should use Hindi as much as possible. In that time, the students were introduced to the rich literature of Hindi. Also motivates students to improve Hindi reading, writing, listening and communication skills. In this way, on behalf of the Hindi department, he worked to maintain social commitment by guiding students from other colleges. Students enthusiastically participated in this program. Seeing the enthusiasm and reaction of the students, this activity was seen to be a success. Total 145 students were benefited by the activity. Dr. A. S. Shaikh and Dr. D. N. Dange took efforts to make the activity successful. Dr. M. N. Kharde, Director, SSRI and Principal Prof. S. V. Lahare guided the staff and motivated them to conduct such activities.
